Lafayette, IN 47901

Dear Board Members:

You have before you a Contract Amendment with Wessler Engineering, Inc. for the Glick Wellfield Improvements Project. This Amendment No. 3 will increase the contract by \$10,000.00 to cover additional Construction Administration and Resident Project Representative time necessary to achieve final completion of the project.

The previous Amendment No. 2 extended Construction Administration and Resident Project Representative services through July 2025. Wessler Engineering was able to utilize Amendment No. 2 budget through the end of 2025, however incurred overages coordinating final completion of the project. Amendment No. 3 brings the total contract amount to \$370,900.00.

I recommend this amendment for your approval.

Sincerely,

Re: Renewal of Contract - Fuels

Dear Board Members:

RECOMMENDATION OF CONTRACT RENEWAL

Newton Oil Company has offered to renew the 2025 contract (original 2007 contract) for Gasoline, Diesel, Bio-Diesel and Ethanol Fuels supplied by Newton Oil for calendar year 2026.

Supplier pricing for freight and adder since 2007 will remain constant throughout the contract renewal period. Furthermore, Newton Oil continues to provide excellent customer satisfaction for fuels requested by Fleet Maintenance. They provide guaranteed same day delivery in most instances or, on deliveries made beyond the date of the order, they honor the rack price from date of the order or the rack price on date of delivery, whichever is less.

Their services also include tank wagon deliveries to all generator locations and other locations as needed.

I recommend renewal of this contract.

Respectfully Submitted,

David H. Payne, Jr.
Purchasing Manager

NOTICE OF AWARD

Recommendation has been made to accept the offer from Newton Oil to renew their contract from calendar year 2025 in its entirety for calendar year 2026.

RE: City Fueling Contract

Please accept this letter as notice that we at Newton Oil Company, Inc. wish to continue our agreement with the City of Lafayette to provide gas and diesel fuel. All pricing and fees would be maintained as provided in the contract for the current year. This pricing structure would be held for the course of the calendar year 2026.

This would encompass transport load deliveries to the City of Lafayette fueling station, tank wagon deliveries to smaller tanks, generators and anywhere else fuel is needed. We will continue to provide the rack pricing for Unleaded EIO Gasoline, ULS Diesel Fuel, and Bio Diesel Fuel.

We appreciate your business and look forward to servicing the City's fueling needs in the future.

Sincerely,

Chuck Newton

Re: Renewal of Contract – Sodium Hypochlorite

Dear Board Members:

RECOMMENDATION OF CONTRACT RENEWAL

JCI Jones Chemicals, Inc. has offered to renew the 2025 contract Sodium Hypochlorite for calendar year 2025.

Sodium Hypochlorite is used by Lafayette Renew, Waterworks and the West Lafayette Water Resource Recovery Facility. JCI Jones Chemicals, Inc. was the low bid for Sodium Hypochlorite at \$1.62 per gallon and was awarded the contract.

The current contract expires on March 9, 2026. This contract renewal would extend the expiration date to March 9, 2027. All pricing, terms and conditions would remain the same.

Lafayette Renew, Waterworks and the West Lafayette Water Resource Recovery Facility all considered the proposal to renew, and they are pleased with the quality of the product and the service provided by JCI Jones Chemicals, Inc. and they would like to renew the contract for an additional year.

I recommend renewing this contract.

Respectfully Submitted,

David H. Payne, Jr.
Purchasing Manager
