To: The Honorable Mayor, Tony Roswarski and the Honorable City Council of Lafayette, Indiana

Ladies and Gentlemen,

The Annual Report of the Lafayette Police Department, for the year ending December 31st, 2017, is hereby submitted by Chief Patrick Flannelly on behalf of all the proud men and women who serve our agency and community.

The professional staff, officers, and volunteers that make up the Lafayette Police Department continue to serve daily with honor and take tremendous pride in providing high quality police services. Here at the Lafayette Police Department, our mission is to provide an environment where our community members can move freely about the city without the fear of crime, and to that end, our staff endeavors to fulfill that mission every day.

Each year, I have the honor of presenting the body of work produced by the civilian and sworn staff of the LPD, and each year I am left with a feeling of gratitude for having the privilege to work with such amazing people. We have been fortunate to have been part of a great police department for generations, but 2017 may be one of our greatest years ever.

This report will provide our community with a glimpse into the daily activities of the Lafayette Police Department. Our Patrol, Investigative, and Administrative Divisions are supported by over twenty different specialty units. Each division and unit is staffed with professional police officers and civilian employees dedicated to keeping our community safe. Community policing is not just a philosophy in Lafayette, it is the hallmark of our service commitment to our community. Safe cities are comprised of safe neighborhoods, which are built house by house with the

relationships of neighbors caring for neighbors. No amount of police presence can ever replace the safety and security provided by caring and engaged citizens. We are here to serve and protect alongside our community members as neighbors and police officers.

Crime is down again for a second year in a row, after years of steady increases. While nationwide violent crime continues to spike in many metropolitan areas, here in Lafayette we saw another decline. This is an amazing statistic because we are also in the midst of a significant increase in the use and availability of illegal narcotics. Consider this, in 2013 the LPD made just over 400 narcotics arrest. Over the next three years that number doubled to 781 in 2016. In 2017 we doubled that number yet again in one year with 1,507 arrests. The number of arrests for narcotics violations is not only indicative of availability, but also reflects the hard work and dedication from all of our employees. It also reflects the value of information we received from a concerned public that has chosen to engage in the process and take ownership of their neighborhoods and community. Working together, we are confident we can continue to have a measureable impact on the quality of life for our citizens. Because of the partnerships we have created through our outreach and crime prevention efforts, we continue to improve.

In late 2017 we expanded our efforts in the area of narcotics enforcement by partnering with the West Lafayette Police Department to create our Highway Interdiction Team (HIT). This effort was supported by the Indiana Attorney General's Office and Mayor Roswarski. We have already had tremendous success and we are confident it will continue to pave the way for a safer community.

We know that enforcement is only one way to success, and there are many ways we are partnering with the community to help. Our mission is to ensure our citizens feel safe to move about the city. We know we can facilitate this by reducing the availability of drugs. There is no such thing as a non-violent drug offense. The drug trade is responsible for nearly all of our violent and criminal activity. Our citizens who steer clear of this type of activity live safely and thrive in Lafayette. Those who engage in this criminal activity put the rest of the community in peril, therefore it is imperative we continue our tough approach on crime.

When you read through this annual report, you will understand why I feel so blessed to be a part of such an amazing police department. We are providing high quality police service with a focus on performance and results that creates real value for our citizens. Again, we know that we would not have the level of success we enjoy without your support and we will continue to work hard every single day to maintain your trust.

Respectfully,

A handwritten signature in black ink, appearing to read "Patrick J. Flannelly". The signature is fluid and cursive, written in a professional style.

**THE MISSION OF THE LAFAYETTE
POLICE DEPARTMENT IS TO
EFFICIENTLY PROVIDE QUALITY POLICE
SERVICE TO OUR COMMUNITY BY
PROMOTING A SAFE ENVIRONMENT
THROUGH A POLICE-CITIZEN
PARTNERSHIP, WITH AN EMPHASIS ON
MUTUAL TRUST, INTEGRITY, FAIRNESS,
AND PROFESSIONALISM.**

MISSION

THE VISION OF THE LAFAYETTE POLICE DEPARTMENT IS TO BE A STATE LEADER IN LAW ENFORCEMENT. A COOPERATIVE SPIRIT IN WHICH POLICE OFFICERS AND CITIZENS WORK TOGETHER TO SOLVE COMMON PROBLEMS WILL BE THE HALLMARK OF OUR LEADERSHIP.

VISION

LAFAYETTE POLICE DEPARTMENT CREED

*I AM A **LAFAYETTE POLICE OFFICER**. I AM PROUD TO SERVE MY CITY. INTEGRITY, HONOR, AND PRIDE ARE AT MY CORE. PROTECTION OF VICTIMS IS MY FIRST PRIORITY. I AM HERE TO PROTECT LIFE AND PROPERTY AND TO SERVE THOSE WHO NEED MY HELP.*

*I HAVE COMPASSION FOR MY BROTHERS AND WANT TO SERVE MY FELLOW MAN. YOU CAN COUNT ON ME TO DO WHAT IS RIGHT. I MAY FALTER BUT I WILL NOT FAIL. I AM A LAFAYETTE POLICE OFFICER. **YOU CAN COUNT ON ME!***

I AM A POLICE OFFICER: A PROFESSIONAL; TRAINED, TESTED, AND DEDICATED TO ACHIEVING EXCELLENCE IN LAW ENFORCEMENT. I AM A DISCIPLINED, CONFIDENT, AND HIGHLY MOTIVATED PUBLIC SERVANT.

*I AM READY TO PROTECT AND SERVE. I WILL ENFORCE THE LAW WHEN NECESSARY. I AM GUIDED BY PRINCIPLE. I WILL DO THE RIGHT THING. I WILL ACT WITH EMPATHY AND COMPASSION. MY ACTIONS WILL BE DECISIVE YET MEASURED. I WILL DO EVERYTHING IN MY POWER TO GET THE JOB DONE! **YOU CAN COUNT ON ME.***

MY BADGE IS A SYMBOL OF ALL THOSE WHO HAVE COME BEFORE ME. THE LEGACY OF THESE OFFICERS GUIDES MY ACTIONS. I WILL ALWAYS REMEMBER THE COURAGE, PERSEVERANCE, AND SACRIFICES MADE TO GUARANTEE THE SAFETY OF THIS COMMUNITY. I UPHOLD THE HONOR OF THOSE WHO SERVED BEFORE ME AND WILL DO NOTHING TO DISGRACE THE BADGE AND MY PROUD HERITAGE.

YOU CAN COUNT ON ME!

BACKGROUND AND HISTORY

In the last 100 years, the population of the City of Lafayette more than tripled, from an estimated population of 21,000 people in 1913 to over 71,782 people in 2017. During that same time, the Lafayette Police Department has continued to grow and adapt to changes in infrastructure, population, growth, and evolving styles of policing. The sworn size of the police department has grown to 142 sworn officers, which equates to 1.97 officers per 1000 citizens in the city. According to the most recent FBI Uniform Crime Reporting report in 2009, the Midwest average for similarly sized cities was 1.6 officers per 1000 citizens. Civilian employees have also increased over the last ten years, to meet the increasing demands from a larger city, from 31 to 47 people.

The Lafayette Police Department is divided into three divisions: Patrol, Administrative Services, and Investigations. Patrol is the largest of the divisions, and the backbone of the product that the Lafayette Police Department provides to the community. Patrol encompasses the Traffic Division, Street Crimes Unit, and many specialty units including SWAT, CDU, and K9. Investigations include the criminal and juvenile investigative units, as well as narcotics investigations. Administrative Services includes training, hiring, internal affairs, and community outreach.

(11/11/2006 – 7/6/2017)

K9 Tommy was purchased by the Lafayette Police Department from Vohne Liche Kennels in Peru, Indiana in 2008. Tommy served the citizens of Lafayette, along with his handler (Officer Ron Dombkowski) until retiring from service in 2017. K9 Tommy was multi-purpose patrol dog, trained in narcotics detection, tracking, and apprehension.

After retirement, Tommy continued to live with Officer Dombkowski and his family. Tommy passed away due to failing health in 2017.

MERIT AWARDS

Recommendation for a Bronze Merit Award

Officer: Officer Nathan Stoneking

Date: May 20, 2017

Reporting Commander: Lieutenant Jay Rosen

Incident Facts: Lafayette Police Department Case # 2017-7671

On Saturday, May 20, 2017 at 2:58 AM Officers went to the residence of 3983 Amelia Ave, Lafayette, IN reference a 15 year old female with a gunshot wound to her leg. Officer Isidro Medrano arrived and requested medics. It should be noted that there was a personal injury/fatality traffic accident on Interstate 65 and the closest available ambulance was responding from West Point, IN.

Officer Nathan Stoneking was responding and he asked Officer Medrano if he needed a medical kit.

Officer Medrano advised that he did.

Officer Stoneking brought in his medical kit and observed a gaping gunshot wound to the victim's left leg with exposed muscle and bone that was bleeding heavily. Officer Stoneking applied a tourniquet above the left knee of the victim and applied pressure to stop the massive bleeding. Officer Stoneking had enough presence of mind to document the time the tourniquet was applied.

Officers kept the victim calm because the closest ambulance had to come from West Point, IN and then Officer Stoneking followed the ambulance to Indiana University Arnett Hospital's Emergency Room. Officer Stoneking advised medical personnel how long the tourniquet had been on the victim.

I was later advised by medical staff that if not for Officer Stoneking's quick action on applying the tourniquet the gunshot victim would have surely died from the loss of blood from her injury.

Lt. Jay E. Rosen

LAFAYETTE POLICE FOUNDATION

The Lafayette Police Department has long enjoyed the support of the greater Lafayette Community. Many businesses, community members, and others regularly look for ways to support the LPD not only by volunteering their time and talents, but by also donating money to help support critical support and community outreach efforts. A great example of this support is the D.A.R.E. Program, which has been funded by private donations since its inception. The Foundation will support the priority in making the donation process and management of funds as transparent as possible.

Police Foundations are able to accept public contributions designated for police department projects. When properly structured, it will be a not-for-profit organization and the public donations can be tax deductible. The transparency offered by the Lafayette Police Foundation financial management and the tax break for the donors will provide a win-win opportunity for everyone.

UNIFORM DIVISION

In 2017, the patrol division was led by Captain Neil Dale. There are currently 91 sworn officers allocated to the Uniform Division of the Lafayette Police Department. This number consists of 76 Uniformed Officers, 14 Commanders, and 1 Technician. The Uniform Division is divided into 4 shifts that work 12 hour rotations in 9 different patrol districts. Each shift consists of 18 Officers, 2 Sergeants, and 1 Lieutenant. Six officers are assigned to the Traffic Section, including one Sergeant and one Technician. The Traffic Section is deployed on 8-hour shifts that match peak traffic patterns. The Emergency 911 Dispatch Center is also assigned to the Uniform Division and includes 27 civilian communication technicians and 1 civilian supervisor. Communication technicians work 8 hour shifts.

There are approximately 103 vehicles assigned to the Uniform Division. These vehicles consist mainly of marked patrol vehicles, but also include unmarked patrol vehicles, administrative vehicles, and 2 highly specialized vehicles assigned to the SWAT team. The primary patrol units in service for 2017 were the Dodge Charger and the Ford Explorer.

In December of 2015, Mayor Tony Roswarski announced a comprehensive effort to combat crime within the community. Coupled with this initiative, it was announced that all First Class Officers living within the city limits would receive take-home vehicles. By the end of 2017, this initiative had been fully implemented, leading to an additional 17 squad cars assigned to officers who live within the city limits, increasing visibility of the officers within the various neighborhoods of Lafayette.

SPECIAL WEAPONS AND TACTICS

The Lafayette Police Department Special Weapons and Tactics (SWAT) team consists of 15 operators. They are officers, detectives and commanders who are trained and equipped to resolve complex and critical situations. The team falls under the responsibility of the Patrol Division, which is commanded by Captain Neil Dale. The SWAT team command structure currently consists of one lieutenant who serves as the team commander, a sergeant who is appointed as team leader, a sergeant who is appointed as sniper team leader, and three other sergeants appointed to other elements of control.

The LPD SWAT Team is a part time team that trains 12 to 16 hours per month on the average to maintain the NTOA's (National Training Officer's Association) recommended 192 hours per year for a part time team. This year the team again secured training time at Camp Atterbury the first full week of October. During this week, the team spent 60 hours training at Camp Atterbury. The entire team stayed on site during this week rising early every day for workouts and then training the rest of the day. The Lafayette K9 team traveled to Camp Atterbury to participate for one of these days. Much of this training was completed on Range 51 which is the Urban Assault Course. This same range has been used in the past by the ISOA (Indiana SWAT Officers Association) for the Indiana SWAT Challenge. This competition, which Lafayette PD SWAT has enjoyed much success, and is the current reigning champion, was not available this year and is in the process of restructuring.

After an extensive try-out, the SWAT team added Officer Khoury Elias, Officer Kevin Price and Officer Shawn Verma to the team.

The Lafayette SWAT team assists with training other officers and recruits at the Lafayette Police Department. Members of the team are certified and instruct Firearms (handgun and rifle), Active Shooter Response, Defensive Tactics, Building Searches and Response to Critical Situations. Recruit officers and interns attended SWAT practice on several occasions so they are exposed to SWAT operations and used as role players during training scenarios. The SWAT team also trains with other specialties at the Lafayette Police Department including CNT (Crisis Negotiating Team) and K9 (Metro K9).

In 2017, the team was activated twenty-one times to handle barricaded subjects and to apprehend wanted subjects deemed high risk. These subjects were suspected to be involved in home invasions, shootings, robberies and other serious crimes.

Mission Statement of the Hostage Crisis Negotiations Team: The preservation of life during critical incidents through the art of negotiations. The types of critical incidents include but are not limited to; hostage, barricaded gunman, suicidal persons and can include a combination of each. Members of the CNT are on call 24/7.

Team Members: During the course of 2017 team member Officer John Wells retired from the department. Detective Dan Long was selected to fill this vacancy. In 2017 Detective Long completed the week long basic FBI Hostage Crisis Negotiations course. His training continues and in December 2017 he was the primary negotiator on a hostage barricade incident where he successfully negotiated with the suspect to surrender without incident.

Training 2017: The CNT completed 20 hours of classroom training in 2017. This training was at the University of Indianapolis and hosted by the Indiana Association of Hostage/Crisis Negotiators.

Equipment: In 2017 the team purchased a 32" flat screen television that was mounted in the CNT vehicle to be used as a color monitor for the teams "throw phone". The monitor could also be used in conjunction with future surveillance tools that are acquired by LPD such as a drone, which will assist in the gathering of intelligence during critical incidents.

Team Activation for 2017: The team was activated during four incidents in 2017. These incidents included an out state suspect wanted for murder at a hotel, a domestic with a female barricaded and armed with a handgun, along with an armed hostage/barricaded suspect hiding in a crawl space. All incidents were resolved peacefully by negotiators.

The CDU can respond to and handle information and calls of potential organized protests or unorganized protests, labor disputes, ground searches for evidence or missing persons (especially children) or any large group breach of peace.

CDU had no callouts in 2017. CDU was placed on standby for some missing person calls and one potential court house protest that never developed.

The CDU added equipment in 2017. This included ballistic helmets with detachable face shield to better protect members from potentially dangerous protesters, and to integrate with SWAT as an outer perimeter unit if needed.

The CDU unit also added expandable 36' batons that an officer can expand or retract and house on their duty belts, as opposed to the older "straight stick batons" that were constantly in an officers hands.

K-9 UNIT

The Lafayette Police Department K9 Unit consists of five trained patrol teams. Four of the K9 teams are assigned to the Uniform Division and one is assigned to the Street Crimes Unit. All of the LPD K-9 teams were trained at Vohne Liche Kennels, located in Denver, Indiana. The K9s are trained in narcotics detection and handler protection, as well as tracking, obedience, article searches, and area searches.

During 2017 the K9 units seized a total of 4871.23 grams of marijuana, 4.32 grams of cocaine/crack cocaine, 90.52 grams of heroin, 1069.08 grams of methamphetamine, 1052.25 Spice, 340 tablet controlled substances. The K9 units were also responsible for a 136 total apprehension of suspects, \$15997.00 in cash, 15 weapons, and conducted over 25 demonstrations for community groups.

Each year K9 teams received an updated certification through Vohne Liche Kennels. This re-certification is also coupled with the annual K9 Olympics and is hosted by Vohne Liche Kennels in Denver, Indiana. The K9 teams compete against K9 teams from around the world in areas of narcotic detection, obedience, area searches, building searches, and team obstacle course. The K9 teams are judged on both individual and team basis. The Lafayette K9 team joins with the Tippecanoe County Metro K9 unit in team completions for this week long certification.

The Metro K9 Unit consists of K9 teams from the LPD, as well as West Lafayette Police Department, Tippecanoe County Sheriff's Department, Purdue University Police Department, and Tippecanoe County Community Corrections. The Metro K9 Unit shares experiences and trains together monthly in order to better serve the public by utilizing similar techniques and standards. The Metro K9 Unit conducted its annual training week in April 2015, consisting of one week dedicated entirely too enhancing current skills, learning new techniques, and sharing ideas with teams from surrounding agencies.

K9 units are required to complete at a minimum of 16 hours of training each month to maintain a certification. These training hours

also include the same areas as that of K9 Olympics, and also serve as training for the competition in the Olympics.

During the week of August 8, K9 handlers from Lafayette Police Department attended the annual K9 Olympics. The competition enlisted approximately 135 K9 teams competitors, these teams were from multiple countries around the world. These competitors represented local, state, and federal agencies from their respective countries. The events tested the abilities of the handler and their K9 partner in suspect tracking/apprehension and illegal drug detection. The events are intended to place the K9 team in difficult conditions to challenge the team's skill.

Lafayette Police Department K9 team members collected 12 Top Ten finishes at the Olympics this past year;

Officer Wilson and K9 Joeri Top Ten finishes in Building Searches, Decoy, Door Bottoms, luggage, open area, road clear, and warehouse. Officer Ryan French and K9 Roy Top Ten finishes in residential. Officer Shea Saxton and K9 Boyka Top Ten finishes in area search, door bottoms, luggage, residential, road clear, and scramble. Officer Austin Schutter and K9 Rocky Top Ten finishes door bottoms. In the team competition Officer Shea Saxton/K9 Boyka, Officer Jim Knogge/K9 Vasco (Tippecanoe County Community Corrections, and Officer Lonnie Wilson/K9 Joeri collected a 6th place overall finish in team narcotics detection and 12th place overall finish in team patrol events.

The Lafayette Bike Patrol mainly patrols our downtown area and public parks. We are on the Heritage Trail and patrol during all hours of the day and into the night. In 2017 our bike patrol logged over 617 hours.

The Bike Unit conducted a school at our training center May 1st through May 5th. In our class we had police officers from the Lebanon Police Department, Covington Police Department, Purdue Police Department, and the Lafayette Police Department attending. The course was a 40 hour course broken down into classroom time focusing on bicycle safety and rules of the road, officer safety, health and wellness, and nutrition. The officers also had to learn how to handle their bikes wearing their police gear, negotiate cone courses, stairs and other obstacles, off road courses, and go the range, ride to the point of exhaustion, and put rounds accurately in a target down range. After all of the training, the Officers had to pass a written and performance examination based on IPMBA Standards. IPMBA stands for International Police Mountain Bike Association.

We also conducted community police initiative patrols in our local parks where the Lafayette Bike Patrol Officers met with parents and children in the park to strengthen community/police relations in Lafayette, Indiana. This lasted throughout the spring and summer of 2017.

Additional Bike Unit Training and community activities:

May 10th, 2018 - conducted our 8 hour training day and recertification course through IPMBA.

May 19, 2018 - Bike to work Day on the John Myer's Pedestrian Bridge

May 29th, 2018 - assisted and participated in the Memorial Day Parade

June 17, 2018 - assisted with the Taste of Tippecanoe

June 29th, 2018 - Officer Townsend conducted a community outreach and bike patrol program at the Bauer Center

July 22nd-July29th, 2018 - assisted the Tippecanoe County Sheriff's Department and the Lafayette Street Crimes Unit by conducting bike patrol During the Tippecanoe County 4H Fair.

August 17th, 2017 - Officer Townsend assisted with Boiler Bash to welcome incoming Purdue University freshman to the Greater Lafayette Area

August 28th, 2017 - Lieutenant Jay Rosen assisted with Bicycle Lafayette in a bike rodeo for kids in the greater Lafayette area. The bike rodeo was held at Columbian Park and there were other activities such as bicycle aerobics, and a picnic.

Fall 2018 - During the Purdue Football Season, the Lafayette Bike Patrol assisted with patrolling tailgate lots for Purdue University

December 2nd, 2017 - Assisted in and participated in the annual Christmas Parade

The Lafayette Police Department currently has 5 Spanish translators consisting of four sworn officers (Khoury Elias, Israel Salazar, Isidro Medrano, and Donna Rector) and one communication technician (Nirvana Grant). Translators are utilized many times throughout the year to assist citizens with both civil and criminal investigations. Members of this unit are available 24/7 to assist Spanish-speaking citizens and play an integral role in providing police services to those who otherwise would have difficulty in providing information. Sergeant Grant Snyder is the commander for the Spanish Translation Unit.

FIELD TRAINING OFFICER PROGRAM

The Field Training Program is intended to facilitate a police officer's transition from the academic setting to the performance of general law enforcement uniformed patrol duties. Although an officer graduating from the Indiana Law Enforcement Academy (ILEA) has received thorough instruction on basic law enforcement subjects, that officer cannot be expected to immediately assume the full responsibilities of an experienced officer. Newly assigned officers must receive additional training in the field where they can learn from officers who have already gained a great deal of practical patrol experience. The Field Training Program introduces a newly assigned officer to the personnel, procedures, policies, and purposes of the individual law enforcement agency and provides the initial formal and informal training specific to the agency and the day-to-day duties of its officers. The Lafayette Police Department requires the recruit officer to complete 18 weeks, at a minimum, with a Field Training Officer. The Field Training Program is expected to achieve the following goals:

- To produce a competent police officer capable of working a solo patrol assignment in a safe, skillful, productive, and professional manner.
- To provide standardized training to all newly assigned regular officers in the practical application of learned information.
- To provide clear standards for rating and evaluation which give all trainees every reasonable opportunity to succeed.
- To enhance the professionalism, job skills, and ethical standards of the law enforcement community.

CRISIS INTERVENTION TEAM (C.I.T.)

The Lafayette Police Department maintains its commitment to send officers to annual CIT (Crisis Intervention Team) Training. The first Crisis Intervention Team was developed in Memphis Tennessee in 1988 under the leadership of Lt. Sam Cochran. He partnered with members of NAMI, local universities, and local mental health providers to develop training for law enforcement. Crisis Intervention Team (CIT) training now exists in many communities across the United States. While this training was originally developed for law enforcement, it has been expanded to include dispatch, EMTs, and other first responders and criminal justice professionals. Over the course of one week, this 40 hour training teaches participants about various types of mental illnesses, as well as active listening and de-escalation of crisis situations, and what mental health resources are available in the community. The goal is to have a safe resolution of crisis situations involving individuals living with mental illness, and to divert these individuals away from the criminal justice system and into treatment where recovery can begin.

C.I.T. GRADUATES, MARCH 2017

DIVE TEAM

The Lafayette Police Department has one certified diver with the Tippecanoe County Water Rescue Team, Lieutenant Jay Rosen. Jay is a certified PADI Diver and also certified in Dive Rescue International. Jay has an advanced open water certification, deep water certification, and a dry suit certification. Jay is also certified and trained in swift water rescue, surface rescues on ice and in the water, under water rescue and recovery, and evidence recovery in water. The Dive Team also backs up the Lafayette Fire Dive and Water Rescue Team. The Dive Team trained 10 days in 2017.

The Dive Team also provides a service called Project Lifesaver (PLS). This is a program where Autistic persons and people with Alzheimer's disease are fitted with a radio frequency bracelet. If the person with these special needs wanders off and is wearing the bracelet we can track them using a radio frequency locating system. It is also a known fact that Autistic persons are attracted to water and that is why the dive team is used. The Dive Team had 6 PLS callouts for 2017.

The Dive Team had 18 Water Rescue Callouts for the year 2017. Some of the calls we went out on for the year consisted of:

February 14th /15th - Search for the missing Delphi Teens/Murder investigation and evidence recovery

February 25th - Assist with the Polar Plunge

March 20th - Assist the Lafayette Police Department with evidence search of a possible handgun in a pond off of South River Road

May 5th/6th - Transport Riverbend Employees to and from work because North River road was flooded

May 6th - Rescue homeless subjects on the Heritage Trail south of the West Lafayette Water Treatment Plant

May 13th - 4400 block of Eisenhower Road, 2 females rescued from swift water on the Wildcat Creek.

May 14th - 2 kayaks capsized and 2 subjects hanging onto a log by 1850 E 325 N.

May 14th - 4 kayaks capsized and 4 subjects were stranded at 9940 E 325 N.

June 20th - 4618 E. 50 N., 2 females were trapped in the Wildcat Creek were rescued

STREET CRIMES UNIT

The Street Crimes Unit (SCU) for the Lafayette Police Department consists of six Patrol Officers, a Sergeant, and a Lieutenant. This unit is under the direction of the Captain of Investigations and receives support from the Captain of Patrol.

LPD's investment into criminal statistical analysis and Compstat principles has identified many various crime trends that require more time and attention than the standard patrol shift can spare. One of those crime trends is the presence of criminal gang activity. This five officer team has the ability to supplement regular patrol shifts when necessary, but also to focus more intently on specific problem areas and subjects. SCU also supports the Traffic Section, assists Detectives in locating fugitives and subjects wanted for questioning, and support the efforts of the Tippecanoe County Drug Task Force.

In 2017, the Street Crimes Unit served over 30 illegal narcotic search warrants in the Lafayette area. The team also attended outside training concerning gang identification and documentation. This resulted in several hundred hours on identifying local gang members and their activities.

The 911 Communications Center is in charge of answering both 911 Emergency calls and non-emergency calls within Lafayette city limits. Dispatchers will process the calls and determine whether to send Police, Fire, EMS or our Animal Control (ACO).

In 2017 Captain Neil Dale continued the leadership responsibility of the Patrol division of which the communication center is assigned. The CAD administrator/911 supervisor in charge of daily operations in the communications center is Katharine (Katie) Huber. Katie has been with the center for 9 years. There is currently 27 total Dispatchers within the Communications Center.

Calls for service for the Lafayette Police Department in 2017 totaled 106,408. Calls for service for the Lafayette Fire Department in 2017 totaled 8,448. Total calls for service in 2017 were 107,402 which is down 994 calls from 2016.

Communications technicians answered 231,725 total calls in 2017 which includes Administrative lines, 911 calls and 911 text calls.

Task Force 4 - Law Enforcement Element

The Lafayette Police Department remained committed to the Indiana Department of Homeland Security task force concept. LPD assigns 6 members to the task force with Sgt. John A. Yestrebky being the law enforcement group team leader. There were no call outs in 2016 requiring the law enforcement element. Many requests for mutual aid came in to assist with the North Dakota pipeline protesters. It was determined this aid was not in the best interest of the task force and the law enforcement element declined to participate as a group.

TRAFFIC UNIT

The Lafayette Police Traffic Unit consists of four patrol officers, one Technician whose primary responsibility is to investigate hit and run crashes, and one sergeant who serves as the unit commander. The unit's primary responsibilities are crash investigation and traffic enforcement. This narrow focus allows the members of the unit to specialize in these areas, providing better service to the community. Though only partially staffed during 2017, the Traffic Unit still had a significant impact.

In 2017, officers in the Traffic Unit issued 2270 traffic warnings and citations, accounting for over 12% of the total number of traffic warnings and tickets issued by the Lafayette Police Department during the year. The unit also investigated and reported 750 crashes, accounting for nearly 20% of the total number of crashes investigated and reported by the Lafayette Police Department in 2017. When not responding to crashes or conducting traffic enforcement, the patrol officers in the Traffic Unit responded to regular calls for service to assist the patrol shifts.

All of the officers assigned to the Traffic Unit are trained in crash reconstruction investigation. Members of the unit also receive training in areas such as motorcycle crash investigation, pedestrian crash investigation, photography, and photogrammetry. As the police department crash investigation team, members of the Traffic Unit are on-call to respond to and investigate crashes in which there is a serious injuries or death.

Each member of the LPD Traffic Unit is assigned as a crash reconstruction investigator to one of the Tippecanoe Fatal Alcohol Crash Teams (FACT), which includes personnel from the Tippecanoe County Sheriff's Department, the West Lafayette Police Department, and the Tippecanoe County Prosecutor's Office. Personnel assigned to FACT are specially trained to investigate crashes that involve serious bodily injury and/or death in which alcohol and/or drugs are also involved. The purpose of this multi-jurisdictional approach is to share resources for successful prosecution of impaired drivers who hurt or kill people on our roadways.

The Traffic Unit was also involved in the planning and execution of several special events in Lafayette. The unit works closely with other city agencies to plan street closures, traffic control, and signage that is required for these events. Some of these events include the 2017 Christmas Parade, Purdue Half Marathon, Mosey Down Main Street, and the Taste of Tippecanoe.

The Lafayette Police Department participates in the Tippecanoe Traffic Safety Partnership (TSP), which includes the West Lafayette Police Department, Purdue Police Department, and the Tippecanoe County Sheriff's Department. As the Tippecanoe TSP coordinator, the LPD Traffic Unit sergeant is responsible for obtaining and managing two traffic safety grants that funded overtime traffic enforcement projects throughout the year. These grants, which are funded by the National Highway Transportation Safety Administration (NHTSA) and administered through the Indiana Criminal Justice Institute (ICJI), pay officers to work overtime patrols to target traffic safety issues such as seat belts, aggressive driving, and alcohol-related driving offenses. In 2017, the Lafayette Police Department and other participating agencies shared over \$95,000 in grant funds.

INVESTIGATIONS

The Investigative Division is commanded by Captain Kurt Wolf. Detectives in this division are assigned to Criminal, Juvenile or Narcotics sections. The division operates with flexible schedules covering daytime and early evening hours during the week. Each detective is assigned an "on call" status for overnight and weekend hours on a rotating basis, unless they are assigned to special investigations or major cases that require different hours of work. The primary responsibility of the Investigative Division is to conduct in-depth investigations of major case reports including, but not limited to: death investigations, robberies, burglaries, rapes, crime against children, thefts, frauds, identity thefts, serious batteries, auto theft, and others. The division also self-initiates investigations and develops intelligence on covert criminal activity in the Lafayette area including gambling, prostitution, potential threats of terrorism, and narcotics.

CRIMINAL INVESTIGATIONS

The Criminal Investigative Section is led by Lieutenant Brian Phillips and Sergeant Jeff Clark. It consists of 5 Detectives and a CSI Detective. Their main investigative focus is on property and personal crimes that occur within the adult population, including burglary, robbery, theft, fraud, aggravated assault, rape, and murder.

TIPPECANOE COUNTY DRUG TASK FORCE

The mission of the Tippecanoe County Drug Task Force is to investigate narcotics trafficking and manufacturing, through combined efforts of surveillance and undercover operations, utilizing detectives who work in a covert and undercover capacity. In 2017, the Lafayette Police Department had five Detectives, a Sergeant and a Lieutenant assigned to this unit. The Drug Task Force also has members from the Purdue Police Department and the West Lafayette Police Department.

Narcotics detectives are provided with several hours of in-house training throughout the year. In 2017, there were over 200 hours of training conducted involving undercover operations, Confidential Informant management, vehicle assaults, and surveillance. Detectives also attended the Indiana Drug Enforcement Association conference held in Indianapolis, which included 20 hours of ILEA credit surrounding case law, drug identification, state mandates, and various topics related to narcotics investigations. Over 80 hours of outside training was also attended, including surveillance schools, undercover operations, and interview techniques.

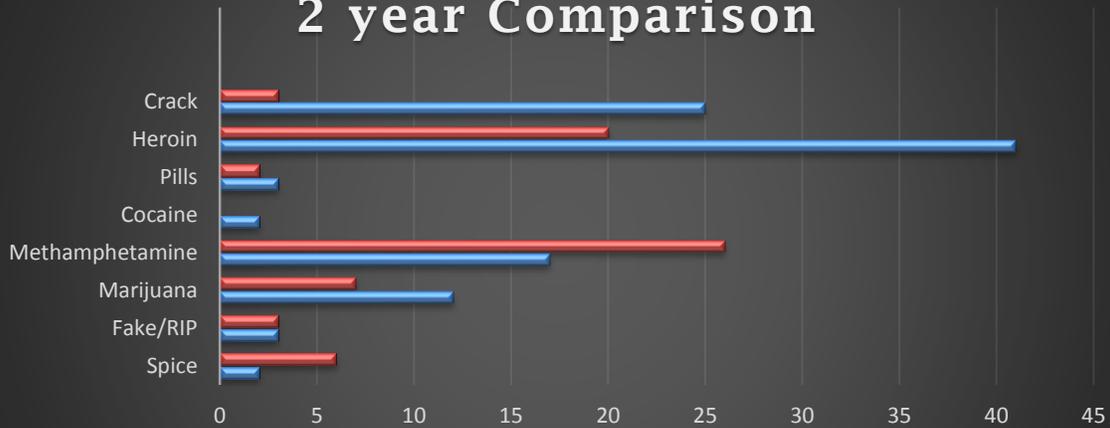

In 2017, the Drug Task Force conducted 60 controlled purchases of narcotics. These purchases along with other investigations, resulted in 95 physical arrests, 3 pending warrants and several others still pending charges. The DTF received a grant from the Drug Free Coalition of Tippecanoe County for \$34,500. This grant was used to upgrade undercover technologies including audio and video recording devices, Canon camera's and for detectives to utilize in the

POLYGRAPH

Lafayette Police Department polygraph examiners were busy in 2017 with a record number of pre-employment testing. Examiners also completed several criminal examinations and assisted with an out-of-county double homicide investigation. Lieutenant Scott Galloway and Sergeant Jeromy Rainey attended a Senior Examiners Course in Indianapolis in the spring. All the examiners attended polygraph conference training. Lieutenant Galloway remained the Vice President of the Indiana Polygraph Association for the third consecutive year.

In 2017, the Lafayette Police Department entered into a partnership with the Indiana Drug Enforcement Administration (I.D.E.A) and the West Lafayette Police Department to create a Highway Interdiction Team. This team consists of two sworn officers from the Lafayette Police Department, and one sworn officer/K9 unit from the West Lafayette Police Department whose mission is to combat the influx of contraband into the Tippecanoe County area. The I.D.E.A provided funds to purchase and outfit two patrol vehicles for the Lafayette Police Department to be used during this program, which is initially scheduled to last two years.

CRIME SCENE INVESTIGATION

Team Commander: Sergeant Matthew Gard

Team Members: Detective Paul Huff, Technician Aaron Dobrin, Technician Chad Cahoon, Technician Matthew Wozniak, Technician Dan Sells. During the 2017 calendar year Officer Zach Hall resigned from CSI and moved to detectives, he was replaced in January by Technician Dan Sells.

Team Mission: The CSI program consists of one full time detective whose primary responsibility encompasses major crime scene investigations and forensic examination of electronics such as computers and cell phones. Patrol CSI's are assigned to one of the four patrol shifts and all team members respond to crime scenes for the purpose of collecting evidence.

Training: In 2017 Technicians Cahoon and Wozniak attended Crime Scene Investigation 3 at Northwestern University Center for Public Safety. Technician Sells attended Crime Scene 1, 2, and 3.

Activity: In 2017 the 5 crime scene technicians responded to 283 crime scenes spending 1,226 hours investigating those scenes. The technicians are on call after hours and were utilized in that capacity 55 times, spending 303 hours for the year when called in off duty.

The Administrative Services Division consists of 9 sworn officers and is commanded by Captain Brad Bishop. The division provides services to the public as well as to the other two divisions of the department while helping meet goals and objectives established by the Chief and other administrators.

Officers of the Administrative Services Division seldom have involvement with routine police investigations, but the services they provide to the other two divisions are critical for support, efficiency, and effectiveness.

Administrative Services encompasses several aspects of the Lafayette Police Department including, but not limited to:

- Records Section Management
- Property and Evidence Management
- Internal Affairs
- Training
- Community Outreach
- Animal Control Management
- School Resource Officer Coordination
- D.A.R.E Officer Coordination

The Division also coordinates the entire hiring process for sworn personnel by working with, and following the guidelines established by, the Police Civil Service Commission.

CRIME PREVENTION UNIT

The Lafayette Police Department Crime Prevention and Outreach Unit was brought to full staff in 2017 with a lieutenant, sergeant and two crime prevention specialist. The group teamed up to complete over 210 public talks in 2017, along with creating a podcast “Inside the Squad”, and growing social media platforms; Twitter, Instagram, Nixle and NextDoor. The Crime Prevention and Outreach Unit made an impact on the community by volunteering on community boards, attending neighborhood meetings and organizing outreach functions to connect to citizens.

Crime Prevention Specialist Shana Wainscott and Ian O’Shields were both outfitted in 2017 with Subaru Outback SUV’s, one of which was donated by SIA. The Crime Prevention and Outreach Unit continued to grow and be a valued component in the police department.

Convenient online reporting for minor offenses is available on the Lafayette Police website, as well as on the City of Lafayette website by accessing the Action Center. The Action Center also allows visitors to report abandoned properties, code violations, and apply to the LPD Citizen’s Academy classes. This has historically been a very efficient way to open up communication between the police department and the community.

The Lafayette Police Department participates in many annual community events, including the Taste of Tippecanoe, Dancing in the Streets, and the National Night Out. This year the National Night Out was held during a Lafayette Aviators baseball game at Loeb Stadium in Columbian Park. The National Night Out is an annual event that promotes community involvement in crime prevention activities, and police-community partnerships.

COMMUNITY POLICING

One of the major goals of the Lafayette Police Department is the reduction of crime through community partnerships and initiatives. CompStat is a management accountability tool that is continually modified to best focus on efforts to identify, target, and resolve major crime issues and disorder within geographical areas of the city. This Community Oriented/Problem Oriented Policing program encompasses the study of trends in calls for service, and working with locations and persons that require multiple responses from the police over time. Officers then analyze the problems and attempt to address the issue by correcting the factors that underlie the requests for police intervention. An example would be working with various city departments and community organizations to remodel and sell an abandoned property in a neighborhood, instead of the traditional approach of responding to and arresting trespassers at the property.

Problems are discussed at regular meetings concerning identified issues, and information is presented as to the success or failure of the attempts to correct the underlying issue. Past problems are tracked as part of the program to determine if the solution continues to be effective. A patrol commander is assigned to each of the 9 geographical LPD districts to help coordinate efforts.

The use of the NextDoor application to link neighborhoods to the police department and officers assigned to each organized neighborhood group aid in the early identification of issues within neighborhoods.

CRIME ANALYST

This unit is comprised of one civilian analyst, Steve Hawthorne. Mr. Hawthorne is a professionally certified law enforcement analyst (CLEA) authorized through the International Association of Crime Analysts. This is a young profession with less than 50 individuals holding CLEA certifications. Mr. Hawthorne has been the department's analyst since January 2011.

The goal of crime analysis is to provide data that meets customer expectations of high quality data and accurate information delivered in a timely manner. Customers are both internal and external to the department. Internal customers include patrol officers, detectives, unit supervisors and command management. External customers are the City's elected officials and other Lafayette department employees, local/state/federal law enforcement agencies, media reporters and journalists, business managers and security personnel, and citizens.

Criminal incident data is made available to the public. Crime maps can be viewed from a link on the department's web site. Law enforcement departments operate under various strategic models to produce positive results in public safety. To be effective, every aspect of modern police management includes an analytical component. The most recent emerging tactic involves predictive or data-driven methodologies. Its term is "intelligence-led" policing. Analytical methods are being developed that produce intelligence from data analysis. Knowledge gained from the intelligence is used to decide patrol car deployment strategies to locations where crimes are predicted to occur. As these become available, crime analysis will assess their capabilities and determine their suitability to the department's operations.

SCHOOL RESOURCE OFFICERS

Officer Casey Frazier continued his assignment as the School Resource Officer with the Lafayette School Corporation in 2017. Officer Frazier's responsibilities included investigating criminal offenses that occurred on school property, coordinating school security, planning for large events, presenting at outreach functions, and being the liaison between the school corporation and the Lafayette Police Department.

In 2017 Officer Frazier participated in the Fire Safety Show, Walk/Bike to School event, JAG Talks, JHS Senior Project Program, JHS School Safety Committee, and various classroom discussions and presentations on topics ranging from basic safety to the United States Constitution.

Officer Frazier was issued a new 2017 Subaru Outback which was wrapped in a Lafayette School Corporation themed design. The design was a collaboration between the Lafayette School Corporation and the Lafayette Police Department. The design highlights many of the themes that are a part of the Lafayette School Corporation branding.

Define/Assess/Respond/Evaluate Drug Abuse Resistance Education

The Lafayette Police Department started offering the DARE program to the Lafayette community in 1995. Officer John Townsend has been serving as the DARE officer for the Lafayette School Corporation since 2012.

Under the most recent curriculum, the acronym D.A.R.E. is used to recall four steps in the decision making process (Define, Assess, Respond and Evaluate) and has a focus on students in 5th grade.

Define: What are the challenges, opportunities and problems that you are facing? **Assess:** What are your choices? **Respond:** Now that you have thought through your choices, what choice will you make? **Evaluate:** Did you make a good choice? Lessons include, but are not limited to; responsibility, stress, peer pressure, alcohol, tobacco and bullying.

Also new to this “Keepin’ It REAL” curriculum is the option to instruct 7th grade students. This program is developed for a more mature 7th grade audience and covers facts about drug, alcohol and tobacco use among teenagers. Its purpose is to debunk myths that “all kids are doing it” by providing accurate statistics concerning the reality of usage among their peers. The acronym “REAL” is used to teach four resistance strategies. **Refuse:** Saying no, I don’t want to do something. **Explain:** Saying why I don’t want to do something. **Avoid:** Keeping away from a situation I don’t want to be involved in. **Leave:** Taking myself out of a situation I don’t want to be in.

Officer Townsend instructs 5th and 7th grade students on the different aspects of DARE. In addition to these responsibilities, he also serves as a School Resource Officer, talks at events on various safety topics, and participates in numerous outreach activities. In 2017 Officer Townsend participated in 40 different outreach events and community speaking engagements. Officer Townsend is also responsible for organizing the Junior Police Academy held each summer.

Some of the Major events that he participated in were:

- Ivy Tech Black Expo Backpack event
- National Night Out
- Be the Match (IU Health Arnett)
- Hanna Fest
- Latino Fest
- St. James Trunk or Treat
- Relay for Life

In 2017 Officer Townsend instructed 1218 students at 4 schools in the Lafayette Community:

Tecumseh Junior High School 7th grade	516 Students
Sunnyside Intermediate School 5th grade	628 Students
St. Boniface 5th grade	44 students
St. Lawrence 5th grade	30 students

Officer Townsend was issued a new Ford Explorer to replace a 2004 Ford Explorer that was retired in 2017. The new vehicle was outfitted with a custom wrap to make it stand out as a DARE vehicle. Officer Townsend was able to raise \$1,000 in donations from Evonik, a long time DARE supporter. The money raised went to pay for the workbooks that the students use while participating in the DARE program.

CITIZEN'S POLICE ACADEMY

There were two Lafayette Police Department Citizen's Academies held in 2017, one Spring session and one Fall session. The Citizen's Academy classes were exposed to topics including, but not limited to: Patrol, training/FTO Program, Investigations, SWAT, Administrative Division, Traffic, Crime Scene Investigation, Narcotics, ID Theft/Fraud, Gangs, Polygraph, Juvenile/Internet Crime, Use of Force, Firearms Simulator, Bike Patrol, K-9 Program, VIPs Program, and Police Administration.

The Citizen's Academy is an educational outreach program designed to provide citizens a greater understanding of the Lafayette Police Department and of the role that law enforcement plays within the criminal justice system. The Citizen's Academy classes meet one evening per week for 10-weeks, in the evening. These classroom sessions are held at the Lafayette Police Training Center and continue to be one of the most popular outreach events.

JUNIOR POLICE ACADEMY

In 2017, the Lafayette Police Department continued to provide a Junior Police Academy, aimed at 12-14 year olds in the greater Lafayette area. The three-day academy was held at the Lafayette Police Training Center and facilitated by Lt. Scott Galloway, Sergeant Matt Gard, Officer Shana Wainscott, Officer John Townsend, and Officer Casey Frazier. The topics of instruction included police K9's, SWAT, Crime Scene Investigation, Bike Unit, good citizenship, and basic self-defense.

Kids attending the academy participated in hands-on activities and classroom instruction. Lunches were provided by Subway, Budge's, and Chick-File. The academy was concluded with a graduation ceremony held in the Lafayette Council Chambers and presided over by Mayor Roswarski.

The Junior Academy allows the students to see what it takes to become a police officer and what an officer may experience on a typical work day. The students also get to experience hands-on activities that can give them a deeper understanding regarding law enforcement and working within the City of Lafayette.

VOLUNTEERS IN POLICE SERVICE

The Lafayette Police Department is committed to working in partnership with our community to improve the quality of life within the City. Volunteers give back to their community through the hours they serve. The Volunteer's in Police Service (VIPS) program was established to promote effective use of the many citizens of Lafayette who wish to donate their time and talents to further the goals of the department. Volunteers have the opportunity to learn new skills and gain invaluable insights into the Lafayette Police Department. Through their work, attitude, and ideas, volunteers maximize law enforcement resources, enhance public safety services, and build ties between law enforcement and members of the community.

Volunteers fill in gaps and spend their time performing tasks that free up sworn law enforcement officers and civilians to further expand the service to the community. The programs are coordinated by the Lieutenant in administrative services in charge of Community Outreach. In 2016, the volunteers logged 1,288 hours of service to the department.

VIPS duties in 2017 included assisting with the Citizens and Junior Police academies, records filing and assisting with special programs such as the Alarm Reduction Program.

PROPERTY AND EVIDENCE

The Property and Evidence section consists of the Evidence and Property Manager (Annette Lancaster), an assistant (Stephanie Gossett) and currently one Officer (Tom Davidson). This section is charged with accepting, maintaining, and disposing of items that are brought into the Lafayette Police Department. Another important function of the section is preparing and transporting evidence back and forth from the Indiana State Police Laboratory in Lowell, Indiana, which houses the Regional Laboratory for the Lafayette area. In 2017, 21 trips were made to Lowell. A total of 659 items of evidence were taken to this lab and 641 were brought back to the Department.

The Evidence Room of the Department contains approximately 80,000 items at any given time. The inventory of the Evidence Room consists mainly of objects that have, or may have been used for evidence at trials. Many of these things may be related to major cases and must be maintained, often, for many years. There are laws and Department policy that determine how long items need to be kept and when, and under what circumstances, they may be returned to owners, kept by the Courts, or selected for disposal. Access to the Evidence Room is strictly controlled. The Property Room, on the other hand, is used to store items that are not evidentiary in nature and are thus kept under less strict guidelines than evidence. The number of objects in the Property Room amount to fewer than one thousand and are able to be disposed of more frequently and quickly than evidence. Every attempt is made to locate and contact the owners of found property (or any items determined to be “property”) to return those things in a timely fashion.

When the rightful owners of items cannot be located, the Department uses Property Room (propertyroom.com) for disposal and auction/sale of most anything that has value. A large amount of found property is not valuable and is destroyed locally. Property Room sells the items on the open market and shares the profits with the Department after deducting their costs.

For calendar year 2017, 7,518 items of property and evidence were brought into the Department. During that same time, 6,117 items were destroyed, 423 items were returned to the rightful owner, and 150 items were deemed suitable to sell at propertyroom.com. Destruction, sale, and reuniting items with their owners is an ongoing process and may require case disposition or prosecutor's office approval. This year the Department received approximately \$1,244.39 from sales on propertyroom.com.

RECORDS

CHIEF RECORDS TECHNICIAN
STACEY L. MABBITT

The Records Division is responsible for processing and maintaining information generated by the members of the Lafayette Police Department (LPD). The Records Division staff consists of six Records Technicians and one Records Technician Supervisor. Information is sorted, compiled, filed, stored and retrieved from a variety of sources for a number of uses both internally and externally. The primary goal of records is to ensure that cases are processed correctly and sent to the proper agency for necessary follow up in a timely manner. Maintaining those files is crucial to the success and mission of the department as a whole.

Records personnel are responsible for a wide variety of tasks including, but not limited to: answering phone calls and public requests for information, preparing the FBI Monthly Uniform Crime Reports, record checks, bulletins, fingerprinting, processing handgun and taxi permits, processing warrants, completing some reports (including online reports), and obtaining initial information for dispatch and officers.

In 2017, LeAnna Mull and Avery Keiser were hired to fill vacancies. With a growing population and additional officers added each year, Records continues their efforts to provide efficient, quality service to both the department and citizens.

Crime and Arrest Statistics

(Uniform Crime Reporting Statistics)

Annually, the FBI publishes a report based on crime rates and clearances nationwide. The Uniform Crime Report (UCR) is submitted to the FBI monthly by over 17,000 city, county, and state police agencies across the country. Data from the UCR is used by law enforcement, legislators, and media across the nation for statistical purposes.

ANIMAL CONTROL

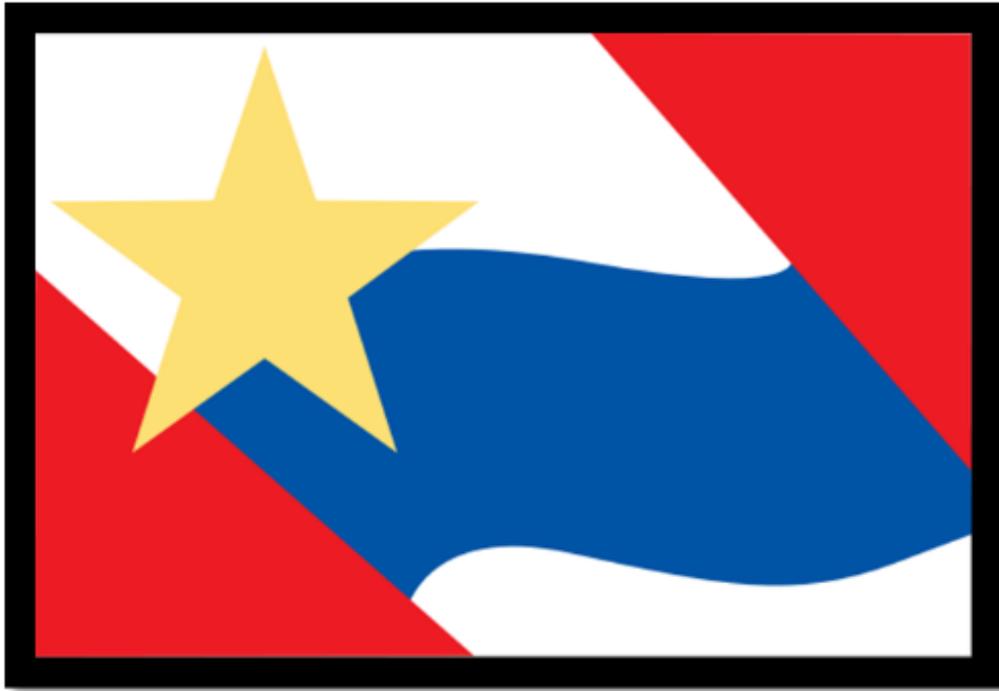

January 2017 was the 10 year anniversary for the City of Lafayette Animal Control Department. In 2017 Animal Control hired 2 new officers and are now at four full time officers. ACOs handed 3,272 calls for service during 2017. ACOs were also designated to carry the X2 Taser, with training being completed through LPD. ACO Supervisor Josh Klumpe is now a member of the Animal Welfare Board which was created by the Tippecanoe County Prosecutors office, to provide expert advice and council for cruelty cases, or any other criminal cases involving animals. In the past 10 years the Animal Control Department has grown and developed into a valued asset for the citizens of Lafayette, and provide expertise in animal related issues and laws for the Lafayette Police Department. Animal Control will look to continue their pursuit in becoming a benchmark for other Animal Control Departments to model after, and look forward to what the next 10 years will bring.
