Chief Patrick J. Flannelly's Message

To: The Honorable Mayor, Tony Roswarski
And
The Honorable City Council of Lafayette, Indiana

Ladies and Gentlemen,

The Lafayette Police Department and Chief Patrick J. Flannelly hereby submit to you the Annual Report of the Police Department of the City of Lafayette, Indiana, for the year ending December 31st, 2013.

The officers of the Lafayette Police Department and the professional staff that supports them remain dedicated to providing the highest quality of police service. The men and women of this department are honored to serve their fellow citizens and take a tremendous amount of pride in their work product.

Our purpose is to provide for the safety and security of all of our citizens. We strive to ensure the high standards and quality of life that our community deserves and expects. The officers of the Lafayette Police Department work diligently to maintain a safe city where all of our residents can move freely about without the fear of crime. We continue to be a police department that is driven by character, trust, and integrity.

This annual report highlights the activities that the men and women of this proud department engage in on a daily basis. As you will see, despite the growth and the challenges that all modern police forces face in expanding communities, this agency continues to set the bar high. Whether it is winning gold medals at the K-9 Olympics, solving homicides, taking first place at the Indiana SWAT Challenge, or just conducting solid everyday police work, our entire staff has a proven track record of teamwork, dedication, success, and commitment!

The future of the City of Lafayette has never been brighter and we are proud to do our part to enhance the quality of life for all of our residents. The police department is just one of many pieces to a much larger puzzle that makes our community such a great place to live, work, and raise a family. We continue to rely on the partnerships we have formed with other city departments, the judicial system, our fellow law enforcement agencies, and most importantly, our citizens. Thank you for allowing us to serve and protect. You can count on us!

Sincerely,

Patrick J. Flannelly
Chief of Police

Lafayette Police Department

Mission Statement

The Mission of the Lafayette Police Department is to efficiently provide quality police service to our community by promoting a safe environment through a police-citizen partnership, with an emphasis on mutual trust, integrity, fairness, and professionalism.

Vision Statement

The Vision of the Lafayette Police Department is to be a state leader in law enforcement. A cooperative spirit in which police officers and citizens work together to solve common problems will be the hallmark of our leadership.

Lafayette Police Department Creed

I am a Lafayette Police Officer. I am proud to serve my city. Integrity, honor, and pride are at my core. Protection of victims is my first priority. I am here to protect life and property and to serve those who need my help.

I have compassion for my brothers and want to serve my fellow man. You can count on me to do what is right. I may falter but I will not fail. I am a Lafayette Police Officer. You can count on me!

I am a Police Officer: a professional; trained, tested, and dedicated to achieving excellence in law enforcement. I am a disciplined, confident, and highly motivated public servant.

I am ready to protect and serve. I will enforce the law when necessary. I am guided by principle. I will do the right thing. I will act with empathy and compassion. My actions will be decisive yet measured. I will do everything in my power to get the job done! You can count on me.

My Badge is a symbol of all those who have come before me. The legacy of these officers guides my actions. I will always remember the courage, perseverance, and sacrifices made to guarantee the safety of this community. I uphold the honor of those who served before me and will do nothing to disgrace the Badge and my proud heritage.

You can count on me!

Background and History

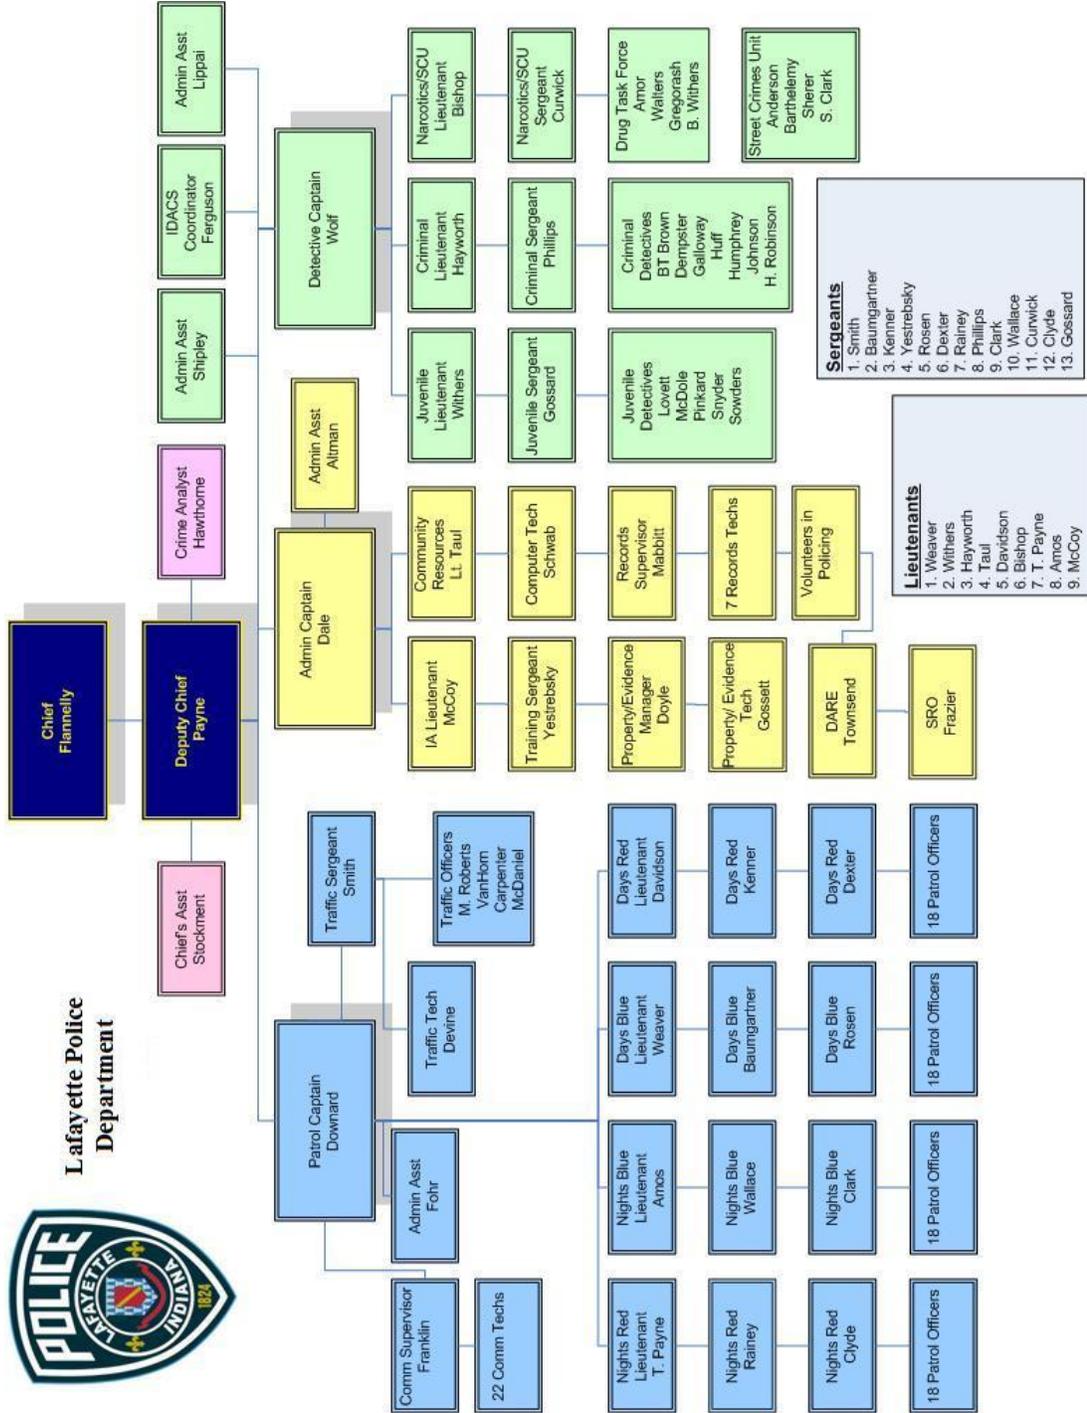

Lafayette Police Department, 1930

In the last 100 years, the population of the City of Lafayette more than tripled, from an estimated population of 21,000 people in 1913 to over 67,140 people in 2013. During that same time, the Lafayette Police Department has continued to grow and adapt to changes in infrastructure, population, growth, and evolving styles of policing. The sworn size of the police department has grown to 132 sworn officers, which equates to 1.97 officers per 1000 citizens in the city. According to the most recent FBI Uniform Crime Reporting report in 2009, the Midwest average for similarly sized cities was 1.6 officers per 1000 citizens. Civilian employees have also increased over the last ten years, to meet the increasing demands from a larger city, from 31 to 38 people.

The Lafayette Police Department is divided into three divisions: Patrol, Administrative Services, and Investigations. Patrol is the largest of the divisions, and the backbone of the product that the Lafayette Police Department provides to the community. Patrol encompasses the Traffic Division, Street Crimes Unit, and many specialty units including SWAT, CDU, and K9. Investigations include the criminal and juvenile investigative units, as well as narcotics investigations. Administrative Services includes training, hiring, internal affairs, and community outreach.

Uniform Division

The Uniform Division of the Lafayette Police Department consists of an allocated strength of 88 officers and 14 commanders. The personnel are deployed into 4 groups that work 12 hour shifts in 9 patrol districts. Five officers are assigned to the Traffic Section with one commander. The Traffic Section is deployed on 10-hour shifts that match peak traffic patterns. The E/911 Dispatch Center of 24 civilian communication technicians also falls within the division. Communication technicians work 8 hour shifts on one of three shifts. The personnel of the Division report to a Captain.

Vehicles

Several dozen vehicles are assigned to the Uniform Division, from highly specialized vehicles such as an armored car to routine patrol vehicles. The primary patrol unit in service for 2013 was the Dodge Charger.

Specialties

The personnel assigned to the Uniform Division may also perform specialized tasks that are described in the accompanying pages. It should be noted that these teams and tasks are performed in addition to regular patrol duties. Officers assigned to these teams often train or provide instruction in their area of specialty on their days off or outside their normally assigned duty day. Many officers participate in multiple specialty areas.

Special Weapons and Tactics

(S.W.A.T)

The Lafayette Police Department Special Weapons and Tactics team consists of 15 officers, detectives, and commanders who are trained and equipped to resolve complex and critical situations. The team falls under the area of responsibility of the Patrol Division, which is commanded by Captain Chris Downard. The SWAT team command structure consists of one lieutenant who serves as the team commander and two sergeants who serve as team leaders.

The LPD SWAT team is a part time team that trains 12 to 16 hours every month. In 2013, the team was responsible for developing and attending 168 hours of in-house training. In addition, team members attended 152 hours of outside agency training. Physical fitness tests are also conducted semi-annually for team members.

In 2013, the team responded to and successfully resolved four separate incidents. These operations included a hostage-barricade incident, a barricaded gunman, an armed suicidal subject, and the arrest of an armed robbery suspect.

Annually, since 2003, the LPD SWAT team has participated in the Indiana SWAT Officers' Association SWAT Challenge Event. This team competition usually consists of 16 – 20 participating teams from Indiana and surrounding states. In 2013, the LPD team took the overall championship. In addition to claiming the top overall spot, the team also took 1st place honors in two team events, including setting a new ISOA record for the obstacle course. The 2013 SWAT Challenge team members were Adam Mellady, Randy Sherer, Scott Clark, Ian O'Shields, Chad Robinson, and Nick Amor.

Civil Disturbance Unit

(C.D.U)

The Lafayette Police Department Civil Disturbance Unit functions within the Patrol Division and serves a wide variety of needs for the LPD. CDU members train for events including crowd control, searching for missing persons, and canvassing specific areas for evidence related to crime scenes. The CDU also assists the SWAT team by setting perimeters, and provides security to civilians and property during major events. The CDU conducted 2 training days in 2013, resulting in over 230 hours of individual training.

K9 Unit

The Lafayette Police Department K9 Unit consists of five trained patrol dogs. Four of the K9 Units are assigned to the Uniform Division and one is assigned to the Street Crimes Unit. All of the LPD K-9 Units were trained at Von Liche Kennels, located in Denver, Indiana. The K9s are trained in narcotics detection and handler protection, as well as tracking, obedience, article searches, and area searches.

The K9 teams also receive their annual re-certifications at Von Liche Kennels. They conduct in-service training, with an average of 16 hours per month and participate in monthly Metro K9 training. The Metro K9 Unit consists of K9 teams from the LPD, as well as West Lafayette Police Department, Tippecanoe County Sheriff's Department, Purdue University Police Department, and Tippecanoe County Community Corrections. In April 2013, the Metro K9 Unit conducted its annual training week, consisting of one week dedicated entirely to enhancing current skills, learning new techniques, and sharing ideas with teams from surrounding agencies.

During 2013, K9 Tico retired from duty. Tico, under the control of handler A.E. Demello, served the Lafayette Police Department for 7 years. During that time, Tico was involved in 857 narcotic deployments, 790 patrol deployments, and the seizure of the following:

- 67.4 pounds of marijuana
- 3.4 ounces of methamphetamine
- 1.8 ounces of heroin
- 7.1 pounds of cocaine
- 11 ounces crack cocaine

A selection process was conducted after Tico's retirement and Officer Demello was chosen to remain as K9 handler for the LPD. Officer Demello, and his new partner Roy, attended the 5 week handler course at Vohne Liche Kennels and graduated in December.

Bike Patrol

The 2013 LPD Bike Patrol Division consisted of eleven officers, including one sergeant. Members included Sergeant Jay Rosen, Officer Greg McDaniel (Chief Mechanic), Officer Terry Bordenet, Officer John Townsend, Officer Chris Jarrett, Officer Chad Cahoon, Officer Scott Swick, Officer Randy Sherer, Officer Casey Frazier, Officer Jacob Daubenmier, and Officer Bill Meluch.

Primary duties during 2013 included the patrol of problematic locations in the Lafayette area, regular patrol, special events, and community events for bicycle safety awareness. Officers are required to obtain a minimum of 36 hours of actual bike time per year, as well as an 8 hour refresher course to keep skills up to date. In 2013 our officers logged in 769 total hours of bike patrol (average of nearly 70 hours per officer).

Bike patrol has the advantage of being able to patrol areas that squad cars cannot, including city parks, fitness trails, and downtown festivals. During 2013, bike patrol participated in the following events: Memorial Day parade, Taste of Tippecanoe, City of Lafayette bike to work day, the 4th of July celebration, Dancing in the Streets, and the Christmas parade. LPD bikers also assisted with all Purdue University home football games, participated in three events with Bicycle Lafayette, and conducted 2 bicycle safety workshops for local schools. Pictured to the right is Sergeant Jay Rosen with “Tiny Tony”, the ambassador for Lafayette Economic Development, at Riehle Plaza in 2013.

Spanish Translation Unit

The Lafayette Police Department currently has 3 Spanish translators consisting of two sworn officers (Khoury Elias and Donna Gregorash) and one communication technician (Nirvana Grant). Translators are used hundreds of times per year to assist citizens with both civil and criminal investigations. The team also assists other agencies with translations and attends several community events throughout the year including the Hanna Fest and the Latino Festival.

Rape Aggression Defense

R.A.D & R.A.D Kids

The Rape Aggression Defense (R.A.D) System is a program of realistic self-defense tactics and techniques taught by certified R.A.D instructors. The R.A.D System is a comprehensive course that begins with awareness, prevention, risk reduction, and avoidance, while progressing to basic hands-on defense training. The Lafayette Police Department has 3 certified R.A.D instructors: Detective Jeff Rooze, Officer Jacqueline Becker, and Officer Amanda Deckard. The goal of this program is to provide citizens with options for self-defense so that they can make an educated decision about resistance in the face of attack. In 2013, approximately 90 women and 15 kids attended R.A.D classes hosted by the Lafayette Police Department.

Field Training Officer Program

(F.T.O)

The Field Training Program is intended to facilitate a police officer's transition from the academic setting to the performance of general law enforcement uniformed patrol duties. Although an officer graduating from the Indiana Law Enforcement Academy (ILEA) has received thorough instruction on basic law enforcement subjects, that officer cannot be expected to immediately assume the full responsibilities of an experienced officer. Newly assigned officers must receive additional training in the field where they can learn from officers who have already gained a great deal of practical patrol experience. The Field Training Program introduces a newly assigned officer to the personnel, procedures, policies, and purposes of the individual law enforcement agency and provides the initial formal and informal training specific to the agency and the day-to-day duties of its officers. The Lafayette Police Department requires the recruit officer to complete 18 weeks, at a minimum, with a Field Training Officer. The Field Training Program is expected to achieve the following goals:

- To produce a competent police officer capable of working a solo patrol assignment in a safe, skillful, productive, and professional manner.
- To provide standardized training to all newly assigned regular officers in the practical application of learned information.
- To provide clear standards for rating and evaluation which give all trainees every reasonable opportunity to succeed?
- To enhance the professionalism, job skills, and ethical standards of the law enforcement community.

Crisis Intervention Team

(C.I.T)

Sergeant John Yestrebky coordinates the Lafayette Police Crisis Intervention Team. NAMI ([National Alliance for the Mentally Ill](#)) helps train, organize, and support CIT officers. Training during 2013 for CIT officers was conducted at the Lafayette Police Department Training Center. CIT certification consists of 40 hours of training covering topics such as mental illnesses, developmental disorders and treatments, psychotropic medications, methods of approaching a crisis situation, suicide prevention, techniques for de-escalating the crisis, and available community resources. CIT officers are specially trained to interact with members of the community who have mental health issues. The Crisis Intervention Team assists citizens with mental illness by de-escalating the situation and then obtaining appropriate medical treatment rather than arresting and incarcerating them for these behaviors. The Lafayette Police Department currently has 62 officers who are CIT trained.

Dive Team

The Lafayette Police Department has one certified diver, Sergeant Jay Rosen. Sergeant Rosen works with the Tippecanoe County Dive Team, which consists of four agencies including the Tippecanoe County Sheriff's Department, Tippecanoe County Emergency Management Agency, Wea Township Fire Department, and the Lafayette Police Department. The Tippecanoe County Dive Team also works closely with the Lafayette Fire Department Dive Team.

During 2013, the dive team trained in excess of 56 hours in areas such as water rescue and evidence recovery. The dive team also assisted with community events such as of the Polar Plunge, Detrash the Wabash, Taste of Tippecanoe, and River Fest.

The Tippecanoe County Dive Team was called out 43 times in 2013. The vast majority of the calls were the result of heavy spring flooding. These callouts included: recovery of a body within a vehicle located in the Wabash River, rescuing people from their homes in low lying areas along the Wabash and Tippecanoe Rivers, rescuing three subjects who capsized their canoe in the flooded Wabash River, recovering vehicles swept off of the roadway and into the Wabash River, rescuing stranded motorists from high water in the roadways along the Wabash and Tippecanoe Rivers and the Wildcat Creek, and shuttling River Bend Hospital Employees back and forth to work while the Wabash River was flooded.

The Tippecanoe County Dive Team also participates in a program called Project Life Saver. The Project Life Saver Program provides response service to autistic children and persons who suffer from Alzheimer's Disease. The dive team was called out 2 times in 2013 to assist in locating persons enrolled in this program.

Street Crimes Unit

(S.C.U)

K9 Douwe, assigned to SCU

The Street Crimes Unit (SCU) for the Lafayette Police Department consists of four Patrol Officers, a Sergeant, and a Lieutenant. This unit is under the direction of the Captain of Investigations and receives support from the Captain of Patrol.

LPD's investment into criminal statistical analysis and Compstat principles has identified many various crime trends that require more time and attention than the standard patrol shift can spare. One of those crime trends is the presence of criminal gang activity. This four officer team has the ability to supplement regular patrol shifts when necessary, but also to focus more intently on specific problem areas and subjects. SCU also supports the Traffic Section, assists Detectives in locating fugitives and subjects wanted for questioning, and support the efforts of the Tippecanoe County Drug Task Force.

In 2013, over 100 hrs of on-site training was conducted by the operations sergeant including the following topics: undercover buys, Confidential Informant management, vehicle assaults, and surveillance training. SCU Officers also attended the IDEA (Indiana Drug Enforcement Association) conference, which included 16 hours of ILEA (Indiana Law Enforcement Academy) credit surrounding case law, drug identification, state mandates, and various topics related to narcotics, gangs and criminal interdiction.

As represented by the graph below, the four Street Crimes Officers reported on a total of 512 incidents in 2013. Drug abuse, auto law, wanted on warrant and trespassing violations made up 84% of those incidents.

Honor Guard

The Lafayette Police Department Honor Guard represents police officers and their families at funerals and other ceremonial events. One purpose of the Honor Guard is to recognize the sacrifices made by law enforcement officers who have served and protected society with the highest honor, integrity, and respect. The Honor Guard also attends various functions and ceremonies to demonstrate support for community events and National Memorials.

The Honor Guard attended and gave honors at the following in 2013:

Law Enforcement Officer Memorial	05-17-2013
LFD Memorial	05-27-2013
Memorial Day Service	05-27-2013

Communications Center

Communication technicians determine the severity of calls coming into the Lafayette Police Department, as well as the type of initial response required, and are often the first point of contact for citizens needing assistance. Computer Aided Dispatching (CAD) is utilized and the appropriate first responders are then assigned to the calls. In 2013, the communications center entered 87,385 police calls for service and 7,245 fire calls. This is a 4.3% increase over 2012 CAD entries.

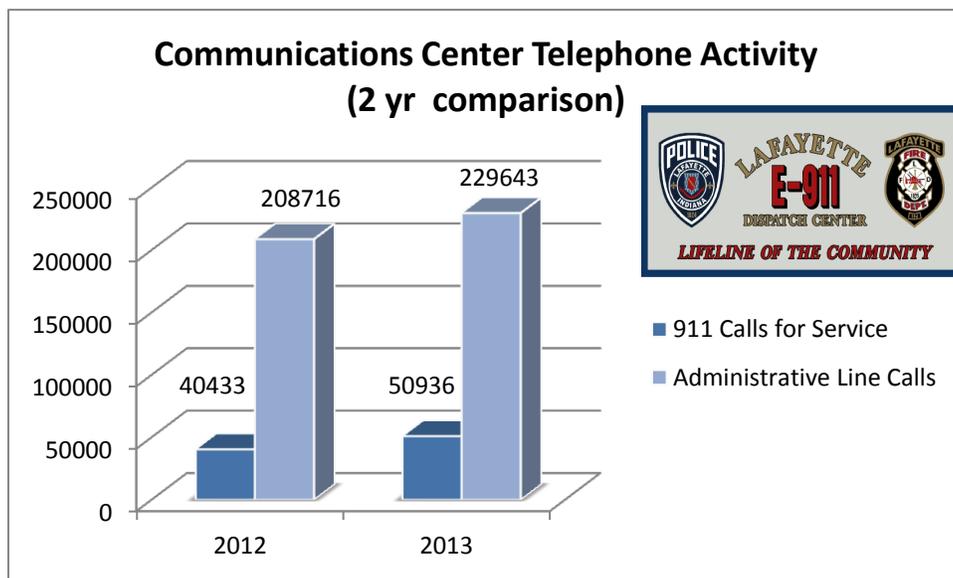

The goal of the communication center is:

- 1) To keep police officers and fire fighters safe as they perform their duties
- 2) To provide emergency and non-emergency services to the citizens of Lafayette in a timely manner.

The overall responsibility of the communication center is assigned to the Patrol division, led by Captain Chris Downard. The CAD administrator / 911 supervisors in charge of daily operations in the communication center is Mike Franklin.

Communication technicians answered 50,936 emergency 911 calls in 2013. Administrative telephone calls to the communication center for 2013 equaled 229,643. Combined, this equates to 280,579 telephone calls during 2013. That is a 12.6% increase over the previous year.

In February 2013, 2 Motorola Centracom Gold Base Radio's were added to the communications center. This addition allows up to seven technicians to be on duty at any given time and increased the center's ability to answer calls by up to 40 percent. In May 2013 the 911/cellular tower conversion was completed resulting in all 911/cellular emergency calls originating inside the LPD jurisdiction to be routed directly to the LPD communications center.

Left to right: Mike Franklin presents Rob Batta with 2013 Indiana 911 NENA (National Emergency Number Association) Pioneer Award

During 2013, Communications Technician Rob Batta was awarded the 2013 National Emergency Number Association (NENA) Pioneer award. Batta was recognized by NENA for public education initiatives and programs performed throughout the year that focused on educating children and seniors within the community on 911 protocols.

CAD Administrator Mike Franklin was awarded the Patriotic Employer Award through the Officer of the Secretary of Defense/Employer Support of the Guard and Reserve. This award recognizes Franklin's effort in contributing to national security and protecting liberty and freedom by supporting employee participation in America's National Guard and Reserve Force.

Community Policing

One of the major goals of the Lafayette Police Department is the reduction of crime through community partnerships and initiatives. CompStat is a management accountability tool that is continually modified to best focus on efforts to identify, target, and resolve major crime issues and disorder within geographical areas of the city. This Community Oriented/Problem Oriented Policing program encompasses the study of trends in calls for service, and working with locations and persons that require multiple responses from the police over time. Officers then analyze the problems and attempt to address the issue by correcting the factors that underlie the requests for police intervention. An example would be working with various city departments and community organizations to remodel and sell an abandoned property in a neighborhood, instead of the traditional approach of responding to and arresting trespassers at the property.

Problems are discussed at regular meetings concerning identified issues, and information is presented as to the success or failure of the attempts to correct the underlying issue. Past problems are tracked as part of the program to determine if the solution continues to be effective. A patrol commander is assigned to each of the 9 geographical LPD districts to help coordinate efforts.

The use of the NextDoor application to link neighborhoods to the PD and officers assigned to each organized neighborhood group aid in the early identification of issues within neighborhoods.

Also in 2013, the Lafayette Police Department was awarded a grant through the Community Oriented Policing Services (COPS) Hiring Program. This grant will help fund an additional 3 police officers over the next 3 years to assist in fighting crime within the community. The LPD anticipates hiring the 3 grant awarded officers in early 2014.

Indiana Department of Homeland Security

Task Force 4 – Law Enforcement Element

The Task Force concept was introduced several years ago by the Indiana Department of Homeland Security. Its purpose was to develop and implement a system to better prepare for and respond to large scale incidents resulting from natural disasters or acts of terrorism. The State was divided into 10 Districts to better coordinate Homeland Security training, equipment allocation, and response activities. When the Task Force is activated by the Governor or his designee as a result of a declared emergency, it responds to the affected area. The Task Force is designed to be self-sufficient and does not need to rely on the affected jurisdiction's resources for food, water, or shelter.

The Lafayette Police Department plays a lead role in IDHS Task Force 4, led by Element Leader Lieutenant John Withers and Group Supervisor Sergeant John Yestrebsky. Other LPD members assigned to the Task Force are Officers Michael Barthelemy, Terry Bordenet, Chandler Cahoon, William Carpenter, Matt Meeks, Bernard Myers, Mark Roberts, Kurt Sinks, John Townsend, and Lonnie Wilson. The Law Enforcement Element has received training from the State in Incident Command, Managing Civil Actions in Threat Incidents, and other related topics. The Task Force has also received equipment through State regulated grants to help with preparation and response efforts to a potential disaster.

Traffic Section

The Lafayette Police Department Traffic section consists of 6 sworn officers whose primary responsibility is traffic enforcement and crash investigation. The section is led by Sergeant Max Smith. During 2013, the traffic section issued 1,871 traffic warnings and citations, accounting for 14.2% of the total number issued by the Lafayette Police Department. The Traffic section also investigated 1,288 crashes, which corresponds to 34 % of total crashes reported during 2013.

Investigative Division

The Investigative Division is commanded by Captain Kurt Wolf. Detectives in this division are assigned to Criminal, Juvenile or Narcotics sections.

The division operates with flexible schedules covering daytime and early evening during the week. Each detective is assigned an "on call" status for overnight and weekend hours on a rotating basis, unless they are assigned to special investigations or major cases that require different hours of work. The primary responsibility of the Investigative Division is to conduct in-depth investigations of major case reports including, but not limited to: death investigations, robberies, burglaries, rapes, crime against children, thefts, frauds, identity thefts, serious batteries, auto theft, and others. The division also self-initiates investigations and develops intelligence on covert criminal activity in the Lafayette area including gambling, prostitution, potential threats of terrorism, and narcotics.

The Criminal Investigative Section is led by Lieutenant Brad Hayworth and Sergeant Brian Phillips. It consists of 6 Detectives and a CSI Detective. Their main investigative focus is on property and personal crimes that occur within the adult population, including burglary, robbery, theft, fraud, aggravated assault, rape, and murder.

Narcotics Investigations

Tippecanoe County Drug Task Force

The mission of the Tippecanoe County Drug Task Force is to investigate narcotics trafficking and manufacturing, through combined efforts of surveillance and undercover operations, utilizing detectives who work in a covert and undercover capacity. In 2013, the Lafayette Police Department had four Detectives, a Sergeant and a Lieutenant assigned to this unit.

Narcotics detectives are provided with several hours of in-house training throughout the year. In 2013, there were over 100 hrs of training conducted involving undercover operations, Confidential Informant management, vehicle assaults, and surveillance. Detectives also attended the Indiana Drug Enforcement Association conference held in Indianapolis, which included 16 hours of ILEA credit surrounding case law, drug identification, state mandates, and various topics related to narcotics investigations. Over 160 hours of outside training was also attended, including surveillance schools, undercover operations, and interview techniques.

In 2013, the Drug Task Force conducted 86 controlled purchases of narcotics. These purchases resulted in 31 physical arrests, with several others still pending charges.

DTF Roster, 2013

Lieutenant Neil Dale – promoted to Captain, March 2013

Lieutenant Brad Bishop- transferred from Administrative Services to DTF, March 2013

Sergeant Brad Curwick- Operations

Detective Natalie Lovett

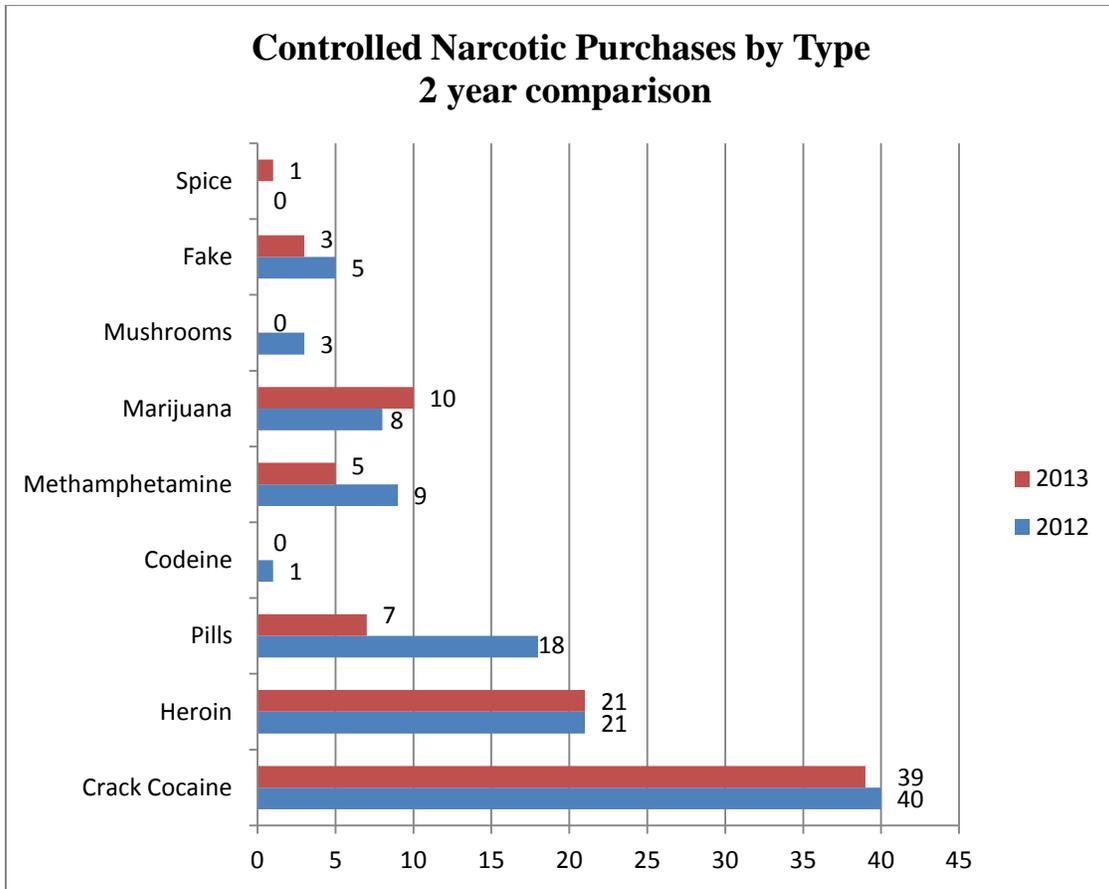

Detective Jason Walters

Detective Donna Gregorash – transferred to Detectives, August 2013

Detective Brandon Withers – transferred to Detectives, November 2013

WLPD Detective Adam Miller

During 2013, the DTF received a grant from the Drug Free Coalition of Tippecanoe County for \$15,977.79. This grant was used to upgrade undercover technologies including audio and video recording devices, as well as new computer stations and portable tablets for detectives to utilize in the field.

Crime Scene Investigation

C.S.I

The Crime Scene Investigation program consists of one full time detective whose responsibility encompasses major investigations and forensic examinations. The four patrol officers are assigned crime scene duties as a collateral responsibility. All team members respond to crime scenes for the purpose of collecting evidence, taking photographs and assisting both the patrol and detective division with investigations.

In 2013, crime scene investigators participated in over 200 hours of training. Patrol CSI's attended the following training: bloodstain pattern/evidence, shooting reconstruction, and basic computer/cell phone forensics. The team is commanded by Detective Sergeant Brian Phillips.

Officer John Wells, Officer Dave Hughes, Detective Herb Robinson, Detective Sergeant Brian Phillips, Detective Grant Snyder. Not pictured: Officer Aaron Lorton.

The mission of the Crisis/Hostage Negotiations Team is the preservation of life during critical incidents through the art of negotiations. Critical incidents include, but are not limited to; hostage situations, barricaded gunmen, and suicidal subjects. Members of the CNT are on call 24/7 and consist of three detectives and three patrol officers.

During 2013, the CNT completed 28 hours of training: 20 hours of classroom training in Indianapolis, which was hosted by the Indiana Association of Hostage/Crisis Negotiators and 8 hours of hands on scenario training with the LPD SWAT team. All team members attended this training. The CNT added the previously used SWAT transport vehicle to utilize during callouts.

The CNT was activated three times in 2013. These incidents included an armed suicidal subject in a vehicle, a barricaded gunman, and an armed barricaded suspect (with a hostage) who had discharged a weapon.

Administrative Services Division

The Administrative Services Division consists of 4 sworn officers and is commanded by Captain Neil Dale. The division provides services to the public as well as to the other two divisions of the department while helping meet goals and objectives established by the Chief and other administrators. Captain Dale was promoted in March and replaced Steve Hartman, who retired in 2013. Lieutenant Scott McCoy was promoted in April and replaced Lieutenant Brad Bishop, who was transferred to the Tippecanoe County Drug Task Force.

Officers of the Administrative Services Division seldom have involvement with routine police investigations, but the services they provide to the other two divisions are critical for support, efficiency, and effectiveness.

Administrative Services encompasses several aspects of the Lafayette Police Department including, but not limited to:

Records Section Management
Property and Evidence Management
Internal Affairs
Training
Community Outreach
Animal Control Management
School Resource Officer Coordination
D.A.R.E Officer Coordination

The Division also coordinates the entire hiring process for sworn personnel by working with, and following the guidelines established by, the Police Civil Service Commission.

2013 Roster

Lieutenant Jim Taul
Sergeant John Yestrebsky
Officer John Townsend
Officer Casey Frazier

School Resource Officer

S.R.O

Officer Casey Frazier is the full time School Resource Officer (SRO) for the Lafayette Police Department. He was assigned to his position in May of 2013, after replacing Officer Mike McIver, who served in the position for over 12 years. Officer Frazier's office is located inside Jefferson High School and he oversees 18 schools within the Lafayette School Corporation and Greater Lafayette Area Special Services (GLASS).

In June of 2013, Officer Frazier received his 40 hour certification from NASRO (National Association of School Resource Officers). NASRO is a national organization that creates standards/guidelines for all School Resource Officers, as well as provides training and education. In addition to his certification, Officer Frazier receives continual education on topics such as bullying, drugs, gangs, active shooter, as well as school and building safety.

The primary responsibility of the SRO is to maintain a safe learning environment for the students and staff. SRO's are also responsible for investigating all criminal and civil issues that may occur on LSC property. The SRO also assists with senior projects (similar to job shadowing), mentors students for Elementary through High School, counsels, conducts building inspections for businesses and daycares, and lectures on an assortment of issues.

On top of his normal operations, Officer Frazier works closely with various organizations that include Juvenile and Adult Probation, Tippecanoe County Prosecutor's Office, Department of Child Services, and the Tippecanoe School Corporation.

Define/Assess/Respond/Evaluate

Drug Abuse Resistance Education

The Lafayette Police Department started offering DARE program to the Lafayette community in 1995. Officer Barry Richard remained the DARE instructor until the spring of 2013. Officer John Townsend was selected to continue bringing this program to our local students after Officer Richard's retirement. Officer Townsend completed his DARE Instructor's course in December of 2012 at Ft. Stewart, GA where he was recognized as the "Most Outstanding Student" among his peers. He was also certified through NASRO as a SRO during the DARE Instructor's course.

DARE went through several major changes in 2013 with the implementation of a new curriculum. DARE America, with the help of Penn State University, developed a new program, "Keepin' It REAL" that focuses on 5th grade students making good decisions and providing them with a new skill-set to help them in the decision making process.

Using the same acronym, D.A.R.E. is now used to recall four steps in making any decision. Define, Assess, Respond and Evaluate. **Define:** What are the challenges, opportunities and problems that you are facing? **Assess:** What are your choices? **Respond:** Now that you have thought through your choices, what choice will you make? **Evaluate:** Did you make a good choice?

This new program has been developed by certified teachers and now requires the DARE instructor to follow a strict guideline so that students are given a complete lesson and time is not wasted. Lessons include, but are not limited to; responsibility, stress, peer pressure, alcohol, tobacco and bullying.

Also new to this "Keepin' It REAL" curriculum is the option to instruct 7th grade students. This program is developed for a more mature 7th grade audience and covers facts about drug, alcohol and tobacco use among teenagers. Its purpose is to debunk myths that "all kids are doing it" by providing accurate statistics concerning the reality of usage among their peers. It also continues in the tradition of the 5th grade curriculum by providing students a way to think through strategies to resist drugs, alcohol, tobacco and bullying. The acronym "REAL" is used to teach four resistance strategies. **Refuse:** Saying no, I don't want to do something. **Explain:** Saying why I don't want to do something. **Avoid:** Keeping away from a situation I don't want to be involved in. **Leave:** Taking myself out of a situation I don't want to be in.

Officer Townsend instructed over 1,200 children at 7 different schools in the Lafayette community during 2013:

Sunnyside Intermediate School	5 th grade	550 students
Tecumseh Junior High School	7 th grade	550
Saint Boniface	5 th grade	40
Saint Lawrence	5 th grade	29
Saint James	5 th grade	23

Lafayette Christian School	5 th grade	35
Faith Christian School	5 th grade	20

Officer Townsend also participated in approximately 30 different community events, including talks at preschools, health fairs, back to school events, community festivals.

The DARE program maintains a 1995 Ford Crown Victoria, a 2004 Ford Explorer, a Club Car golf cart with trailer, and an enclosed media trailer.

Lafayette Police Training Center

During 2013, the Lafayette Police Training Center hosted several training groups from across the United States, as well as providing a facility for local area law enforcement agencies and citizen groups to utilize.

The following schools were hosted in 2013:

- March -Violence Interdiction
 -Crisis Intervention Team Training
- April -DEA Roadside Interdiction
- May -TASER Instructor School
- June -John Reid Child Abuse Investigations
- June -PowerPhone Dispatch Judo
- July -Leomedicus Medical Tactics Training
 -Pharmaceutical Drug Investigations
- October - Photogrammetry

By hosting the above training at the LPDTC, the Lafayette Police Department saved \$2931 in free registrations to send LPD officers. This does not count savings in travel, food, room and board if we had sent the same officers to attend this training at other agencies.

The following estimated training hours for the LPDTC facility in 2013 are as follows:

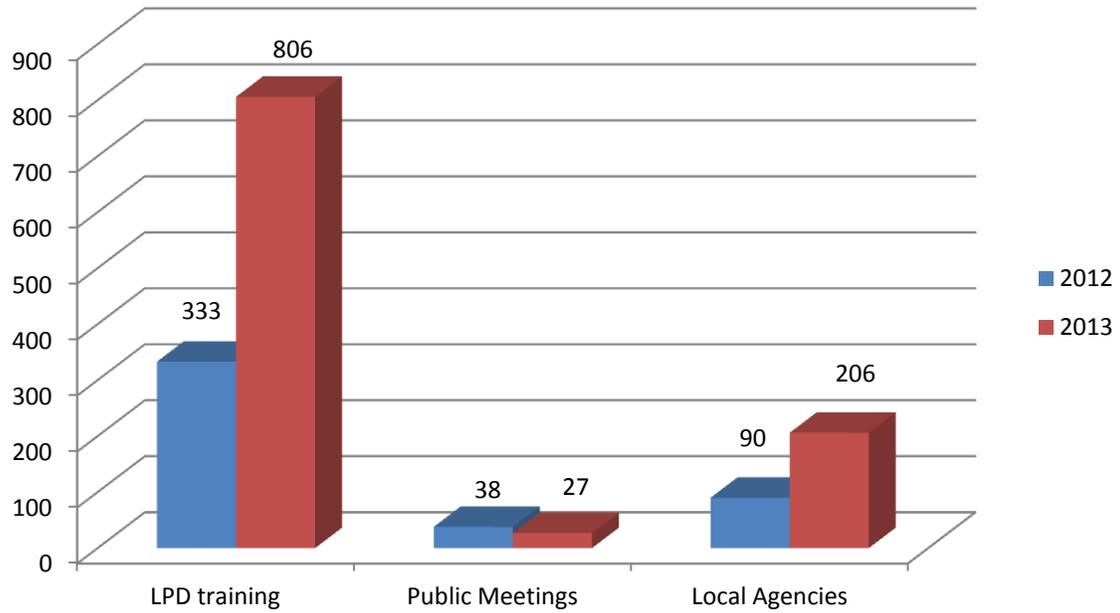

Lafayette Police Training (Police and Dispatch meetings/training,
hosted training, RAD and RAD Kids, Citizens Academy, Applicant Testing) **806 hours**

Public Meetings (United Way, Police Family Connection, Lunch and Learn) **27 hours**

Local Agencies (PUPD, TCPD, WLPD, Purdue ROTC, Conservation, Heartford House, District 4 Task Force)

Classroom	115 hours
Firearms Simulator	64 hours
Mat Room	27 hours

Lafayette Police Citizen's Academy

There were two Lafayette Police Department Citizen's Academies held in 2013, one in March and one in October. The 2013 Citizen's Academies were exposed to topics including, but not limited to: Patrol, training/FTO Program, Investigations, SWAT, Administrative Division, Traffic, Crime Scene Investigation, Narcotics, ID Theft/Fraud, Gangs, Polygraph, Juvenile/Internet Crime, Use of Force, Firearms Simulator, Bike Patrol, K-9 Program, VIPS Program, and Police Administration. Citizen's academy is an educational outreach program designed to provide citizens a greater understanding of the Lafayette Police Department and of the role that law enforcement plays within the criminal justice system. The Citizen's Academy meets one evening per week for 10-weeks, in the evening. These classroom sessions are held at the Lafayette Police Department's Training Center.

Volunteers in Police Service and Citizens on Patrol

VIPS Program

COP Program

The Lafayette Police Department is committed to working in partnership with our community to improve the quality of life within the City. Volunteers give back to their community through the hours they serve. The Volunteer's in Police Service (VIPS) program was established to promote effective use of the many citizens of Lafayette who wish to donate their time and talents to further the goals of the department. Volunteers have the opportunity to learn new skills and gain invaluable insights into the Lafayette Police Department. Through their work, attitude, and ideas, volunteers maximize law enforcement resources, enhance public safety services, and build ties between law enforcement and members of the community. Citizens on Patrol (COP Program) is an extension of the previous Lafayette Police Reserve Officer Program. COPs uses volunteers to assist in patrol related duties, such as traffic control and security details.

For the year 2013, the VIP's documented nearly 2100 hours of volunteered time. COPS and Chaplain hours were not tracked. The programs are coordinated by the Lieutenant in administrative services in charge of Community Outreach.

College Intern Program

The Lafayette Police Department sponsors internships for college students who are interested in pursuing careers in law enforcement. Interns gain practical knowledge that they otherwise could not learn in a classroom. This program benefits the students, but also provides a service to the community by providing resources that do not take away the daily demands of police department personnel. During 2013, the LPD hosted interns from Purdue University, Ivy Tech College, Vincennes University, and Franklin College.

2013 College Intern Roster

Name	School	Hours of Service
Taylor Glaze	Franklin College	120
Kody Martin	Vincennes University	220
Tim Nixon	Ivy Tech College of Lafayette	160
Heath Mellady	Ivy Tech College of Lafayette	160
Kelsey Stillian	Purdue University	120

The Lafayette Police Department also hosted a condensed internship for high school students from Faith Baptist School. These internships consisted of approximately 30 hours each for 5 Faith Baptist students.

Property and Evidence

The Property and Evidence section consists of the Evidence and Property Manager (Jim Doyle) and an assistant (Stephanie Gossett). This section is charged with accepting, maintaining, and disposing of items that are brought into the Lafayette Police Department. Another important function of the section is preparing and transporting evidence back and forth from the Indiana State Police Laboratory in Lowell, Indiana, which houses the Regional Laboratory for the Lafayette area. In 2013, 16 trips were made to Lowell. A total of 263 items of evidence were taken to this lab and 308 were brought back to the Department.

The Evidence Room of the Department contains approximately 80,000 items at any given time. The inventory of the Evidence Room consists mainly of objects that have, or may have been used for evidence at trials. Many of these things may be related to major cases and must be maintained, often, for many years. There are laws and Department policy that determine how long items need to be kept and when, and under what circumstances, they may be returned to owners, kept by the Courts, or selected for disposal. Access to the Evidence Room is strictly controlled. The Property Room, on the other hand, is used to store items that are not evidentiary in nature and are thus kept under less strict guidelines than evidence. The number of objects in the Property Room amount to fewer than one thousand and are able to be disposed of more frequently and quickly than evidence. Police Officers, Records Clerks, and Property and Evidence employees (including a volunteer from the VIPS program) attempt to locate and contact the owners of found property (or any items determined to be “property”) to return those things in a timely fashion.

When the rightful owners of items cannot be located, the Department uses Property Room (propertyroom.com) for disposal and auction/sale of most anything that has value. A large amount of found property is not valuable and is destroyed locally. Property Room sells the items on the open market and shares the profits with the Department after deducting their costs.

For calendar year 2013, 5,062 items of property and evidence were brought into the Department. During that same time, 4,597 items were destroyed, 581 items were returned to the rightful owner, and 135 items were deemed suitable to sell at propertyroom.com. Destruction, sale, and reuniting items with their owners is an ongoing process and may require case disposition or prosecutor’s office approval. This year the Department received approximately \$1,250 from sales on propertyroom.com.

Records Section

The Records Division is responsible for processing and maintaining information generated by the members of the Lafayette Police Department (LPD). The Records Division staff consists of seven Records Technicians, including one Records Technician Supervisor. Information is sorted, compiled, filed, stored and retrieved from a variety of sources for a number of uses. The primary goal of records is to ensure that cases are processed correctly and sent to the proper agency for follow up. Maintaining those files is crucial to the success and mission of the department.

Records personnel are responsible for a wide variety of other tasks including, but not limited to: answering phone calls and mail requests for information, preparing the FBI Monthly Uniform Crime Reports, record checks, fingerprinting, processing handgun and taxi permits, processing warrants, and online reports. During 2013, records also absorbed many of the duties once covered by the Traffic Division. Renovations were made to the records office to better utilize the workspace and accomplish their duties while more efficiently assisting the public. Two new workstations were created at the front counter. Computer monitors were mounted on the wall and new phone headsets give the records technicians more flexibility at their stations.

Community Outreach & Social Media

The Lafayette Police Department participates in several social media sites as part of their efforts to reach out to, and stay connected with, the citizens that we serve. Social media tools offer police departments a way to listen to their citizens and hear what is being said about the department, crime, the quality of life, and events. Convenient online reporting for minor offenses is available on the Lafayette Police website, as well as on the City of Lafayette website by accessing the Action Center. The Action Center also allows visitors to report abandoned properties, code violations, and apply to the LPD Citizen's Academy classes.

The Lafayette Police Department also participates in many annual community events, including the Taste of Tippecanoe, Dancing in the Streets, and the National Night Out. This year the National Night Out was sponsored by Target Stores and Nextdoor.com and was held during the Colt World Series at Columbian Park. Chief Patrick Flannelly threw out the ceremonial first pitch during the game. Target Stores donated a bicycle, as well as two backpacks with supplies, to be raffled off during the game. The National Night Out is an annual event that promotes community involvement in crime prevention activities, police-community partnerships, and sends a message to criminals letting them know that neighborhoods are organized and fighting back.

Above: Chief Flannelly throws ceremonial first pitch at Colt World Series/National Night Out.

Below (left to right): Employees of Target Stores (NNO sponsor), Officer John Townsend and Lieutenant Jim Taul during NNO.

The Lafayette Police Department also participated in the National Drug Take Back Initiative in October 2013. This initiative aims to provide a safe, convenient, and responsible means of disposing of prescription drugs, while also educating the general public about the potential for abuse of medications. During this initiative, the LPD collected over 168 pounds of unwanted and unused medications, which were turned over to the Drug Enforcement Administration.
