City of Lafayette to resume construction work on Loeb Stadium

LAFAYETTE, INDIANA – April 24, 2020 – The City of Lafayette has announced that construction work will resume on Loeb Stadium as of Monday, April 27, 2020. The decision to resume work comes after a three-week hiatus, which went into effect on Friday, April 3, 2020.

As the City continues to prioritize the health and safety of the Greater Lafayette community, extra precautions will be taken at the Loeb Stadium construction site and workers will adhere to CDC guidelines.

The City of Lafayette will continue to monitor the rapidly changing COVID-19 pandemic and provide updates as available. Updates and resources are being posted regularly on the City's social media channels and at www.lafayette.in.gov/coronavirus.
