Public – Private Partnerships increase parking opportunities in the greater downtown area.

We are proud to announce that we have reached an agreement with the owners of the former 5/3rd Bank property located at 52 S. 2nd Street, to allow for permit parking opportunities. This agreement is for a limited time and will help provide a mid-range solution while the City continues to evaluate parking matters downtown. The city's Parking Operation Department will manage the lot. Spaces are available for a \$50.00 monthly fee. Please call the Parking Operations office for additional information.
