About Lafayette Parks and Recreation

The Lafayette Parks and Recreation Department operates and maintains 700 acres of land within the City of Lafayette. This includes the maintenance of more than 27 miles of paved trails. The city's trails are open to the public and can be used for a variety of activities including walking, running, biking, rollerblading, and more. Providing and preserving parks and open green space enhances the desirability of the community and contributes to the safety and health of all Lafayette residents.
