Summer Sewage Rates Ending Soon

LAFAYETTE, INDIANA – September 7, 2023 – As summer comes to an end, Utility Billing Director Amy Douglas would like to remind customers that the seasonal sewage discount is also nearing its end. “Many of our customers use more water during the summer to water the lawn or flowers, or simply to play in the sprinkler. Because this water is most often returned to the water table without needing treatment, we are pleased to offer a discount on the sewage portion of this water,” said Douglas. “As the season ends, we encourage customers to check their end dates in order to avoid unexpected charges.”

Customers can access the chart below at Lafayette.in.gov/ubo to look up their summer sewage stop date. Customers will need to know their Lafayette Water account number; all dates are approximate and are based on meter reading dates.

Residential Summer Sewage rates start with the July billing for the June consumption.

The account number is the number AFTER the dash on your bill.

Actual start date will depend on when the meter is actually read.
