FOR IMMEDIATE RELEASE
March 25, 2025

Haggerty Lane & Park East Blvd Intersection to Close for 90 Days for Roundabout Construction

LAFAYETTE, INDIANA – March 25, 2025 – On or after April 1, 2025, the intersection of Haggerty Lane and Park East Boulevard will close for approximately 90 days as part of the Park East Boulevard extension project. The closure will allow for the construction of a new roundabout, improving traffic flow and connectivity in the area.

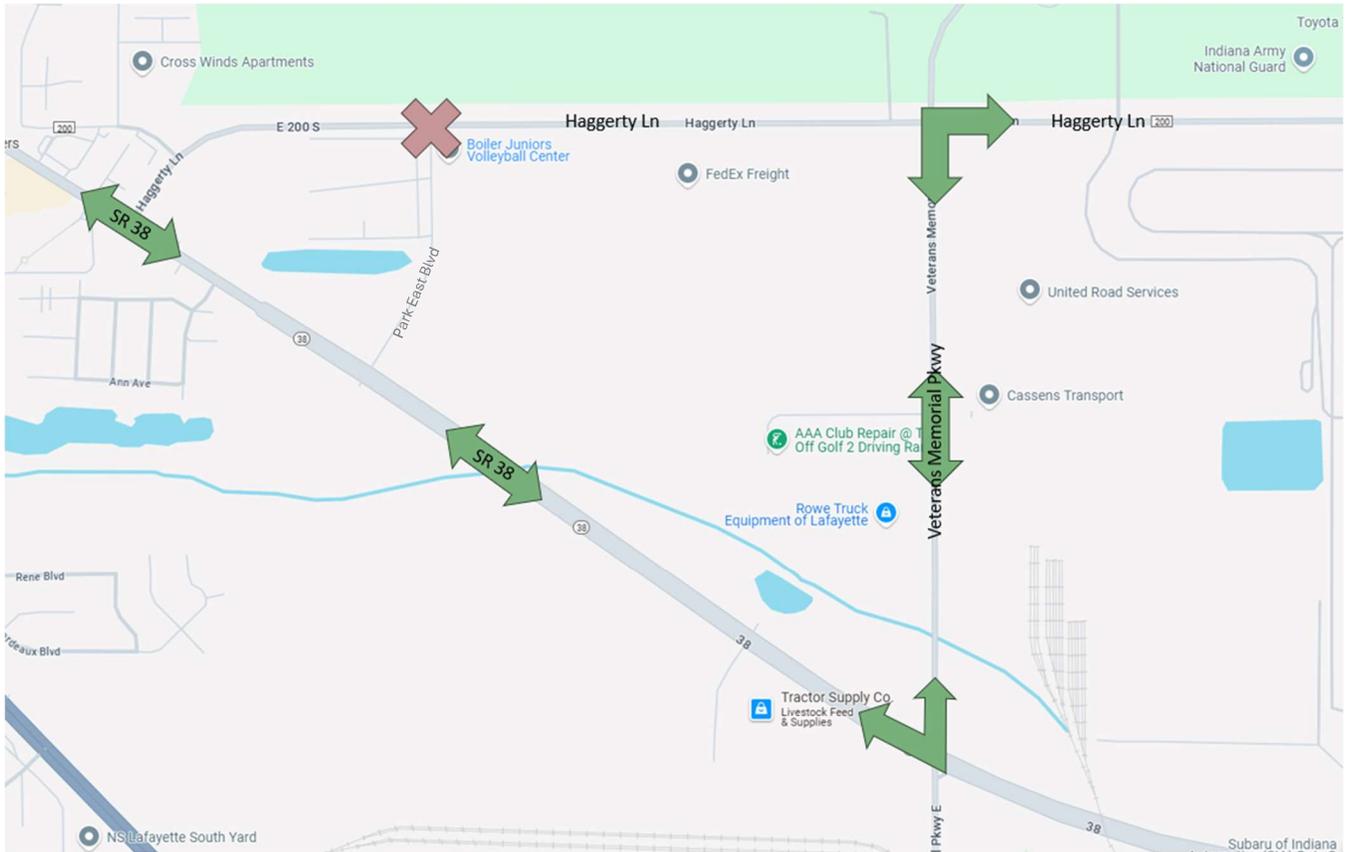

Motorists who typically use Haggerty Lane to travel between State Road 38 and points east of Park East Blvd. should plan ahead and consider alternate routes, such as Veterans Memorial Parkway.

The Park East Boulevard extension is being completed by Atlas Excavating and will create a continuous connection from South Street to State Road 38. Additionally, St. Francis Boulevard will be extended to intersect with the new Park East Boulevard. The project will introduce three new roundabouts at:

- Haggerty Lane & Park East Blvd
- McCarty Lane & Park East Blvd
- St. Francis Blvd & Park East Blvd

The project is expected to be completed early next year, enhancing traffic efficiency and accessibility in the area.
