Correction: Updated Start Date for Haggerty Lane & Park East Blvd Closure

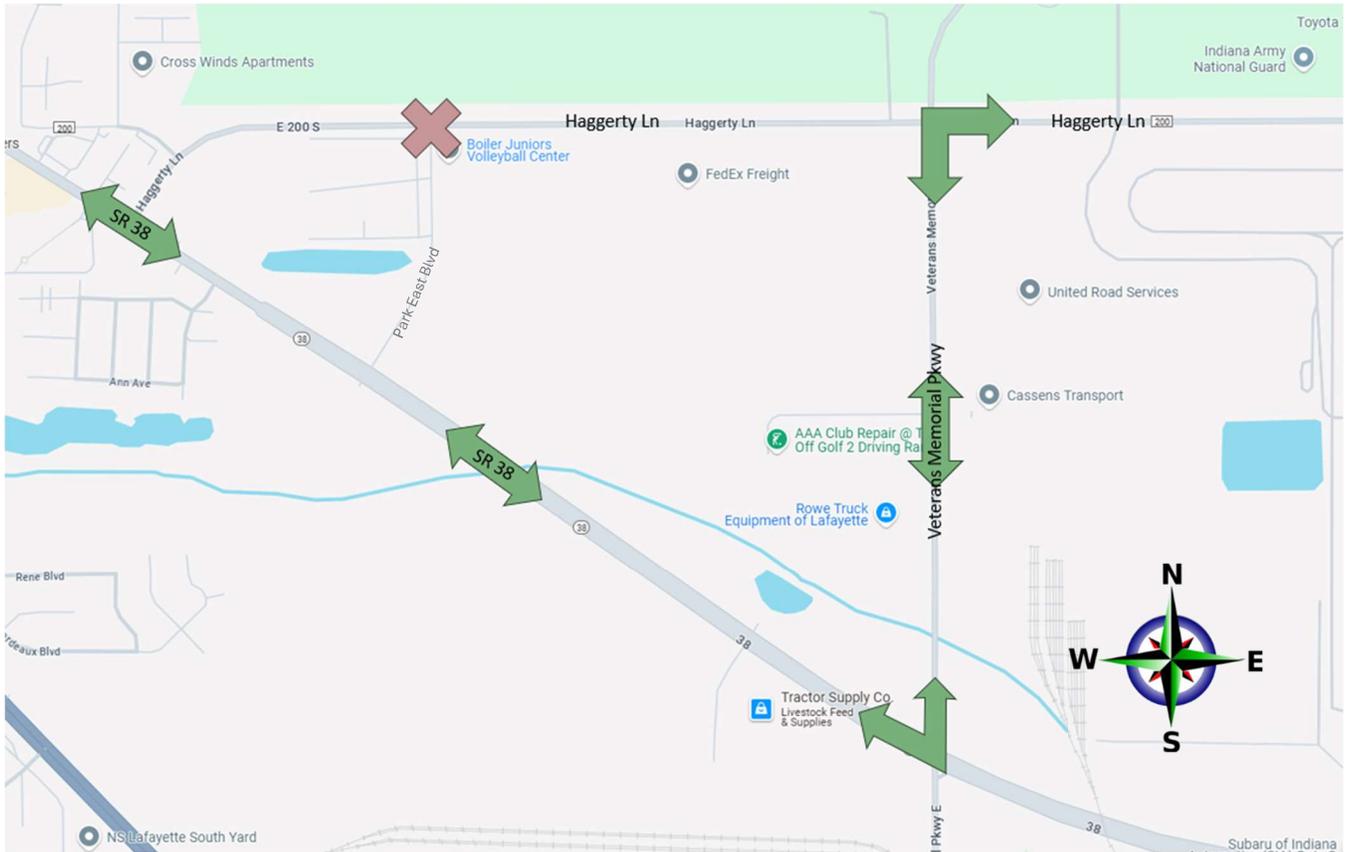

LAFAYETTE, INDIANA – March 26, 2025 – Please note a correction to the previously announced start date for the Haggerty Lane and Park East Boulevard intersection closure. The project will now begin at 9:00 AM on March 31, 2025, rather than on or after April 1 as previously stated.

This closure, expected to last approximately 90 days, is part of the Park East Boulevard extension project, which includes the construction of a new roundabout at this intersection. Motorists are advised to plan ahead and use Veterans Memorial Parkway or other alternate routes.

Once completed early next year, this project will enhance connectivity from South Street to State Road 38, introduce three new roundabouts, and extend St. Francis Boulevard, improving traffic flow and accessibility in the area.

We appreciate the public's patience and cooperation during this important infrastructure improvement.
