With the allure of a modern-day outlaw, Gary Allan has won over fans, peers, and critics with his signature blend of smoldering vocals, rebellious lyrics, and raucous live performances. While becoming a force on the country music scene, Allan has remained true to his artistic voice each step of the way.

Allan's most recent album, RUTHLESS, was released in June 2021. His previous album, SET YOU FREE, topped the Billboard 200 (Pop Chart), a career first for Allan. The California native has released eight additional studio albums selling over 8 million albums. Allan has five #1 hits at country radio: "Set You Free," "Man to Man," "Tough Little Boys," "Nothing On but the Radio," "Every Storm (Runs Out of Rain)." He has fourteen Top 10 hits to his credit and amassed over 2.8 billion total streams. He is described as "dark and dreamy" in Entertainment Weekly, "soulful and rough around the edges" in Playboy and deemed a "maverick" by Rolling Stone. He sells out venues as a headliner from NY to LA, appeared on "The Tonight Show with Jay Leno," and "Late Show with David Letterman."

Loeb Stadium concert partners include Lafayette Parks & Recreation, Long Center for the Performing Arts, Honeywell Arts & Entertainment, and Lafayette Aviators. The 2025 concert lineup will mark the fourth year for

concerts at the new Loeb Stadium. Past concerts include America, Air Supply, Justin Moore, Lee Brice, Scotty McCreery, and a family-oriented laser dance show.
