UPDATE: City of Lafayette to postpone aquatics Opening Day

LAFAYETTE, IN – May 22, 2025 – The City of Lafayette has announced the postponing of Opening Day for Castaway Bay, Tropicanoe Cove, and Vinton Pool due to unfavorable weather conditions this week and cold water temperatures from recent rains and cooler temperatures. The aquatics centers are expected to open on Tuesday, May 27.

Due to the date change, the City of Lafayette will honor half-price admission at Tropicanoe Cove on the Saturday of Labor Day weekend – August 30, 2025, in celebration of the city's bicentennial.

All other previously scheduled events Memorial Day Weekend at Columbian Park will continue as planned in celebration of Lafayette's Bicentennial Weekend.
