### Semper Supra

We're the mighty watchful eye  
Guardians beyond the blue  
The invisible front line  
Warfighters brave and true  
Boldly reaching into space  
There's no limit to our sky  
Standing guard both night and day  
We're the Space Force from on high.

### The Army Song

First to fight for the right,  
And to build the Nation's might,  
And the Army goes rolling along  
Proud of all we have done,  
Fighting til the battle's won,  
And the Army goes rolling along  
Then it's Hi! Hi! Hey!  
The Army's on its way  
Count off the cadence loud and strong;  
For where'er we go,  
You will always know  
That the Army goes rolling along.

### Semper Paratus

Here is the Coast Guard marching song, we fight on land and sea,  
Through surf and storm and howling gale, high shall our purpose be!  
Semper paratus is our guide, our fame, our glory too  
To fight to save or fight and die. Ayee!  
Coast Guard, we are for you.

### Marine Hymn

From the halls of Montezuma to the shores of Tripoli  
We will fight our country's battles on the land and on the sea  
First to fight for right and freedom and to keep our honor clean  
We are proud to claim the title of United State Marine.

### U.S. Air Force

Off we go into the wild blue yonder, flying high into the sun  
If you live, you'll be a grey-haired wonder,  
At 'em boys, give 'em the gun!  
Down we dive leaving a train of thunder, off with one terrible roar  
We live in fame or go down in flame  
Nothing can stop the U.S. Air Force!

### Anchors A-weigh

Anchors a-weigh, my boys, anchors a-weigh  
Farewell to college joys, we sail at break of day-ay-ay-ay  
Through our last night on shore, drink to the foam;  
Until we meet once more, here's wishing you a happy voyage home.
