

LAFAYETTE FIRE DEPARTMENT

Fire Safety Coloring Book

It is important to know
specific information when
you report any emergency!

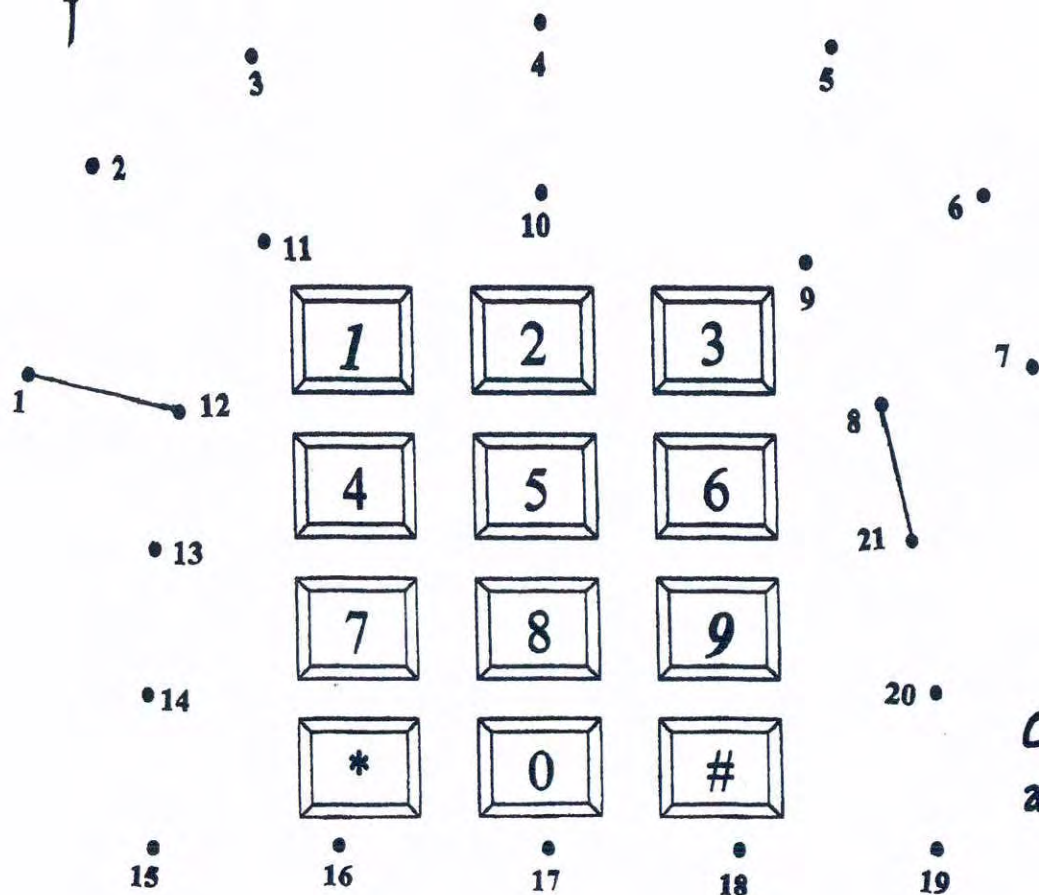

My Name: _____

My Address: _____

My Telephone Number: _____

To report an emergency, dial 9-1-1
on your telephone and give the
dispatcher your important information.

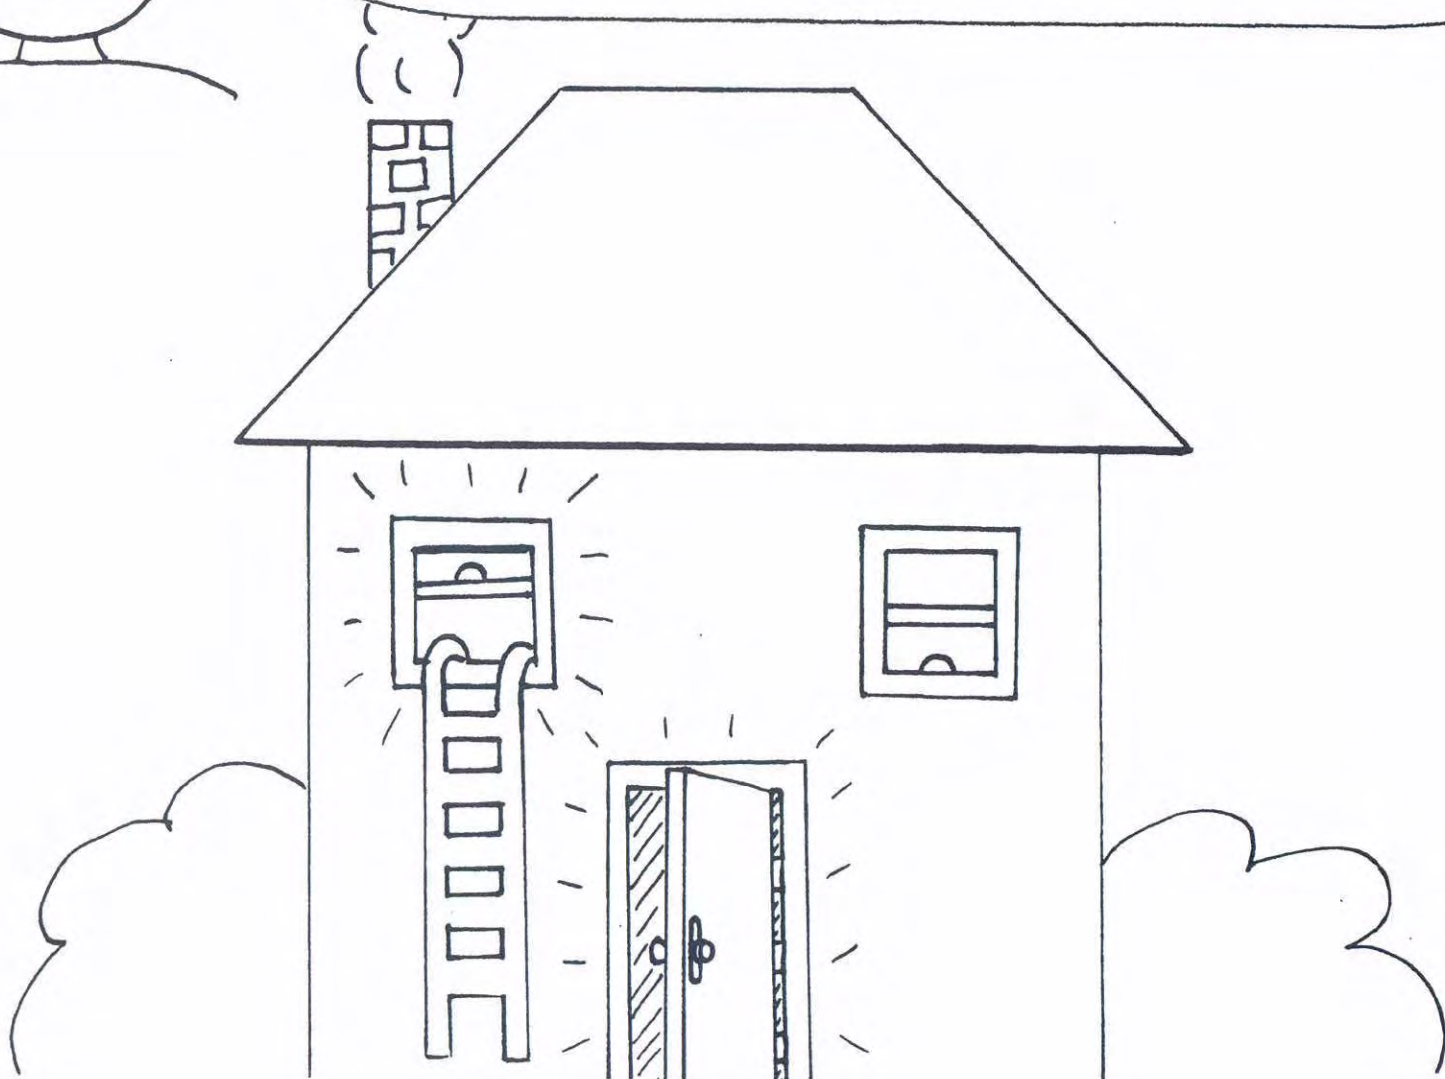

Connect the dots
and color.

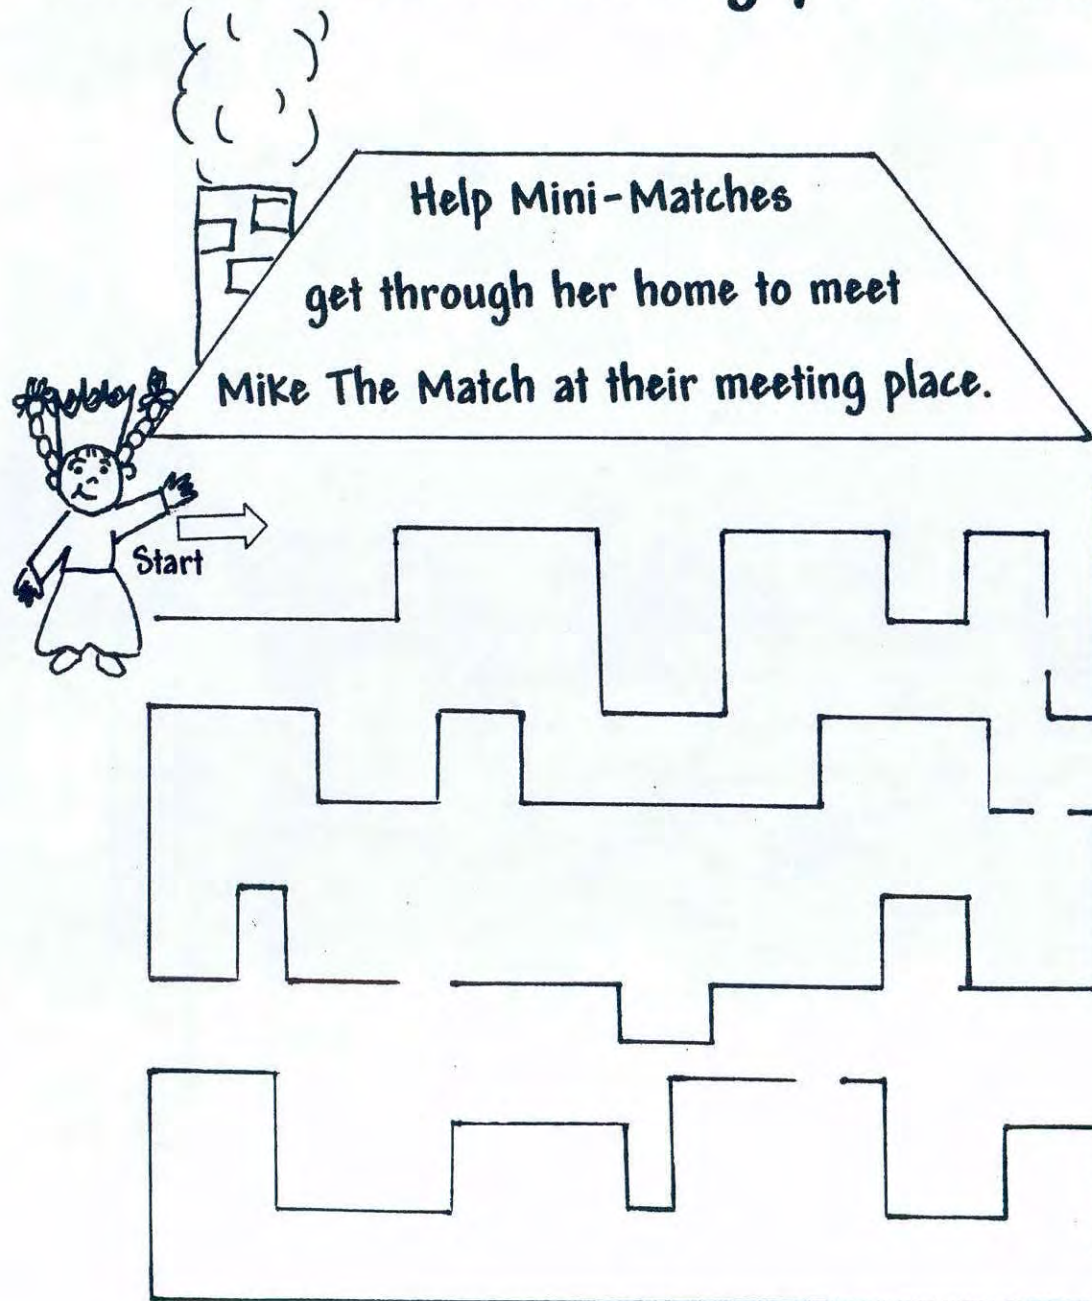

DIAL 9-1-1

We all need to have home escape plans
in case of a fire! Choose the safest
way out, using a window or a door.

Practice your home escape plan with your family and choose a safe meeting place away from the fire.

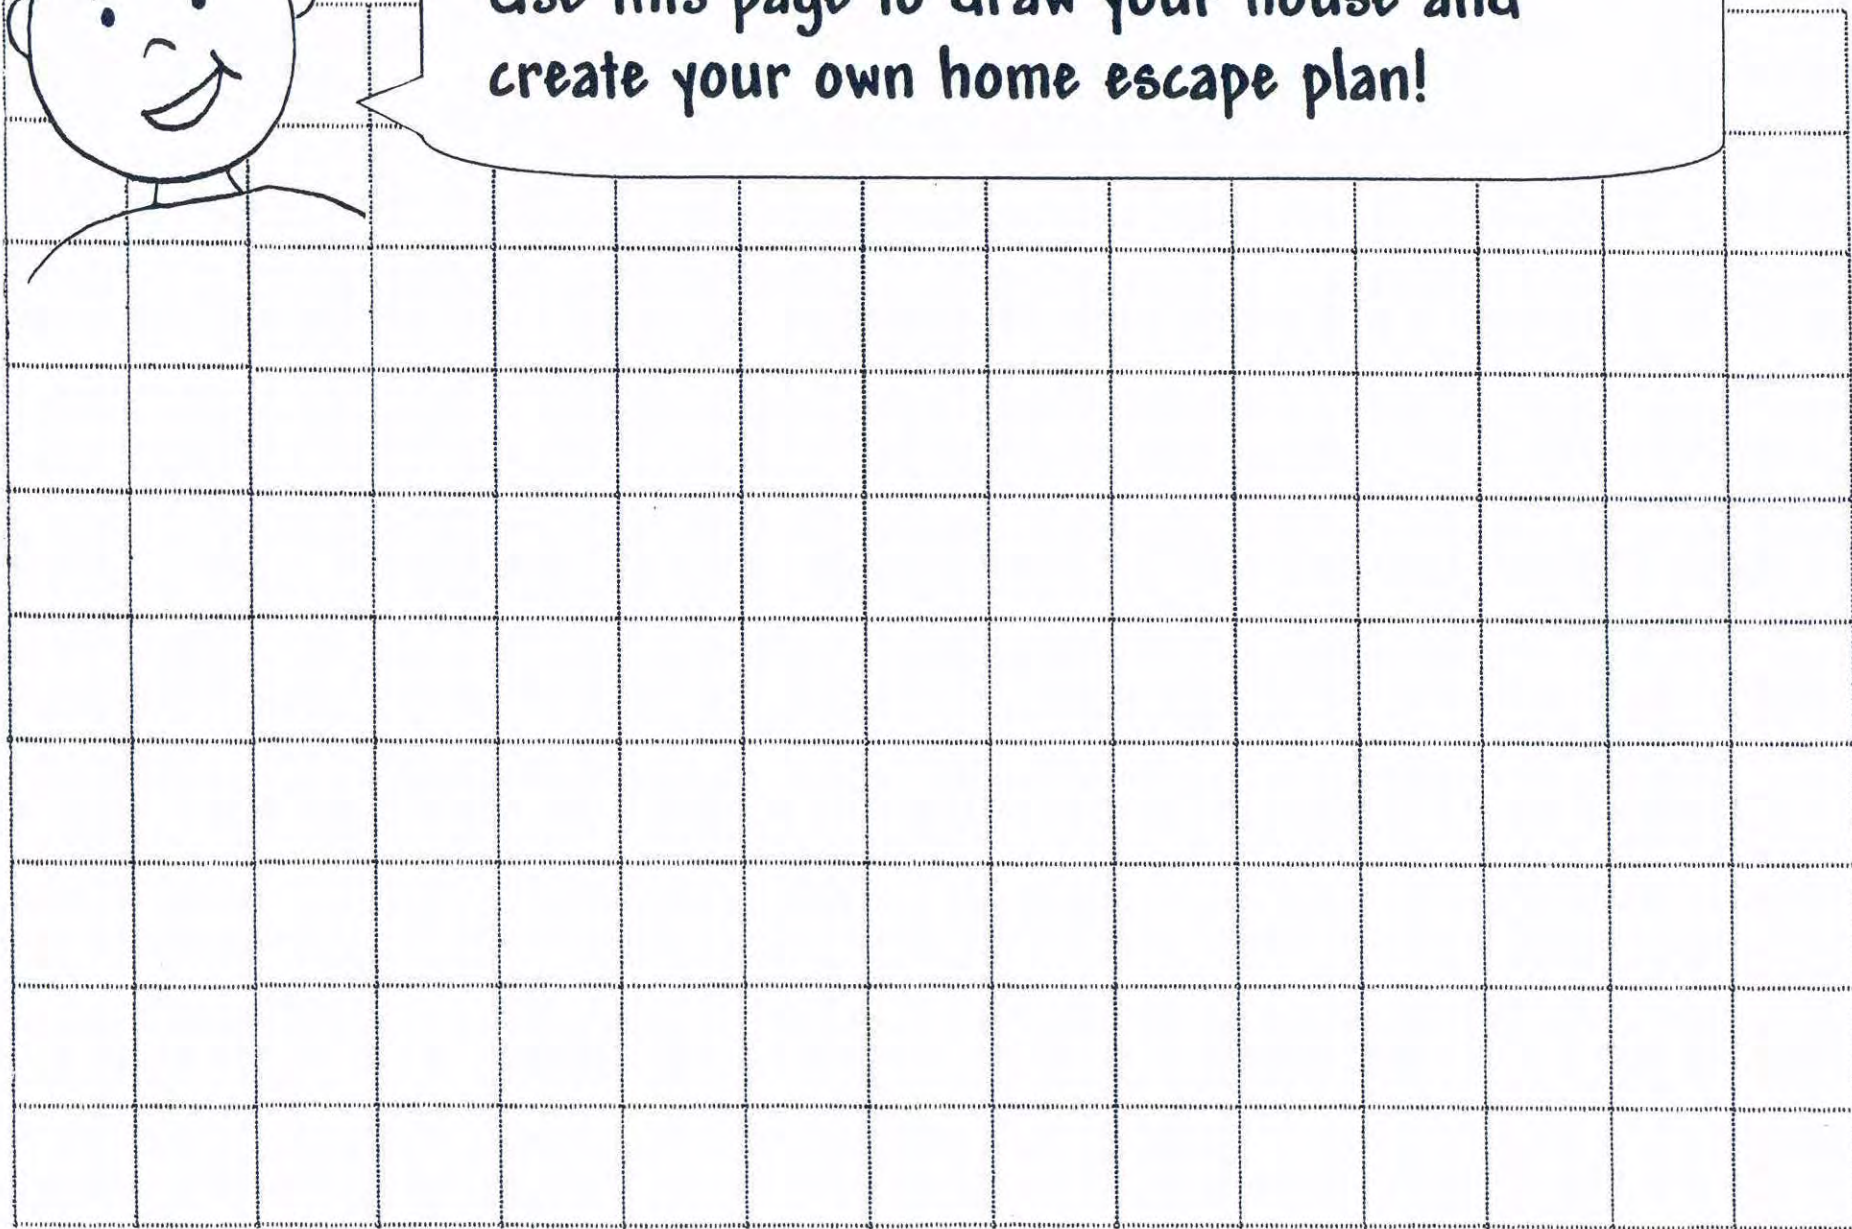

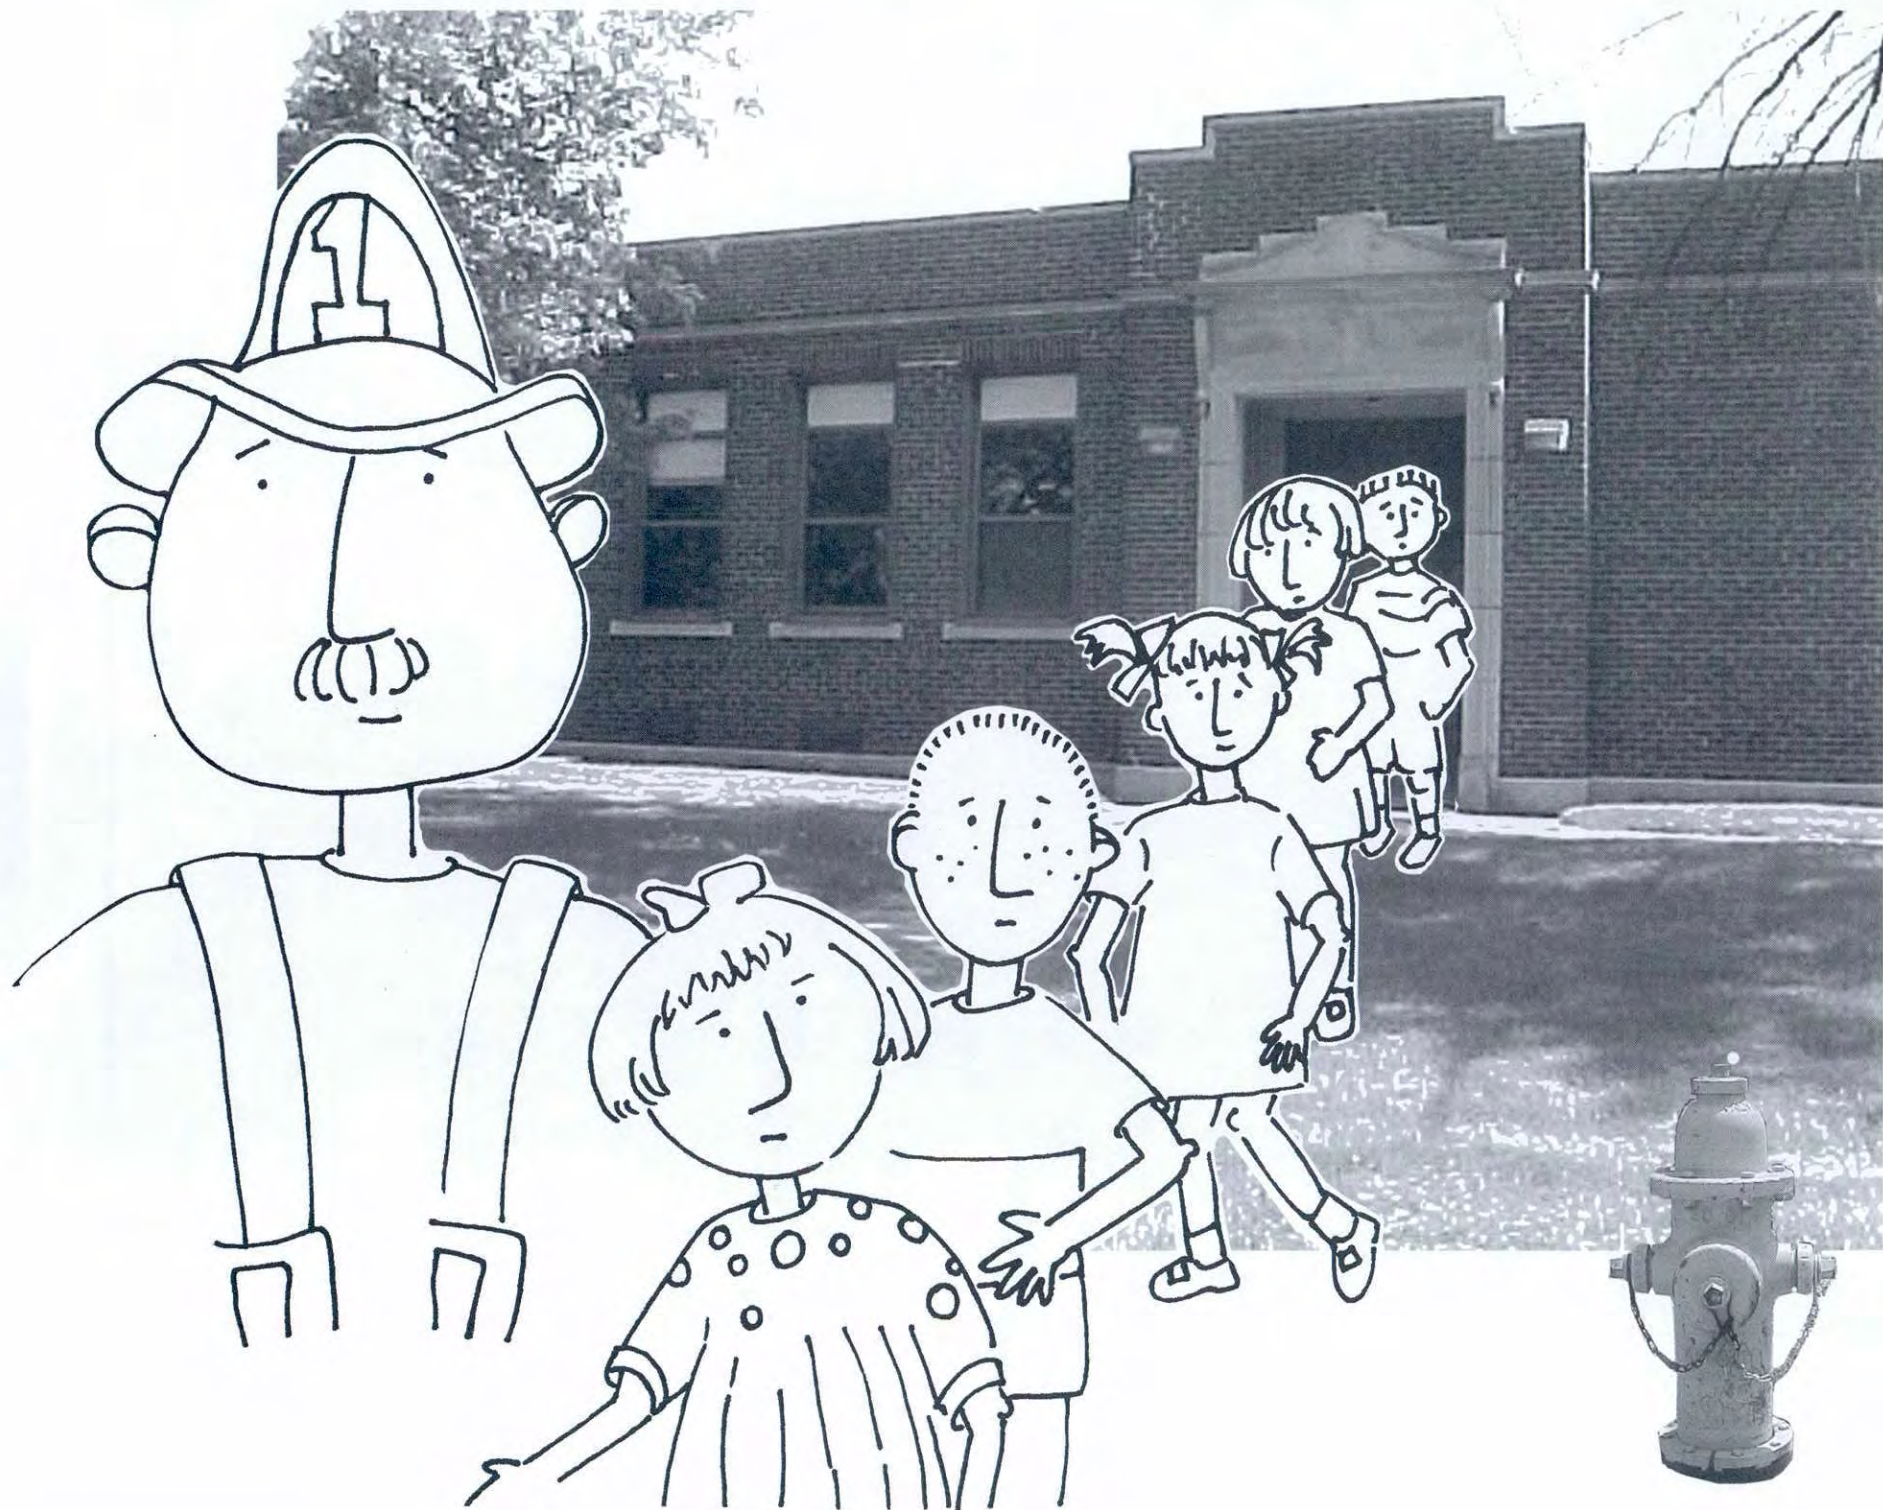

Finish

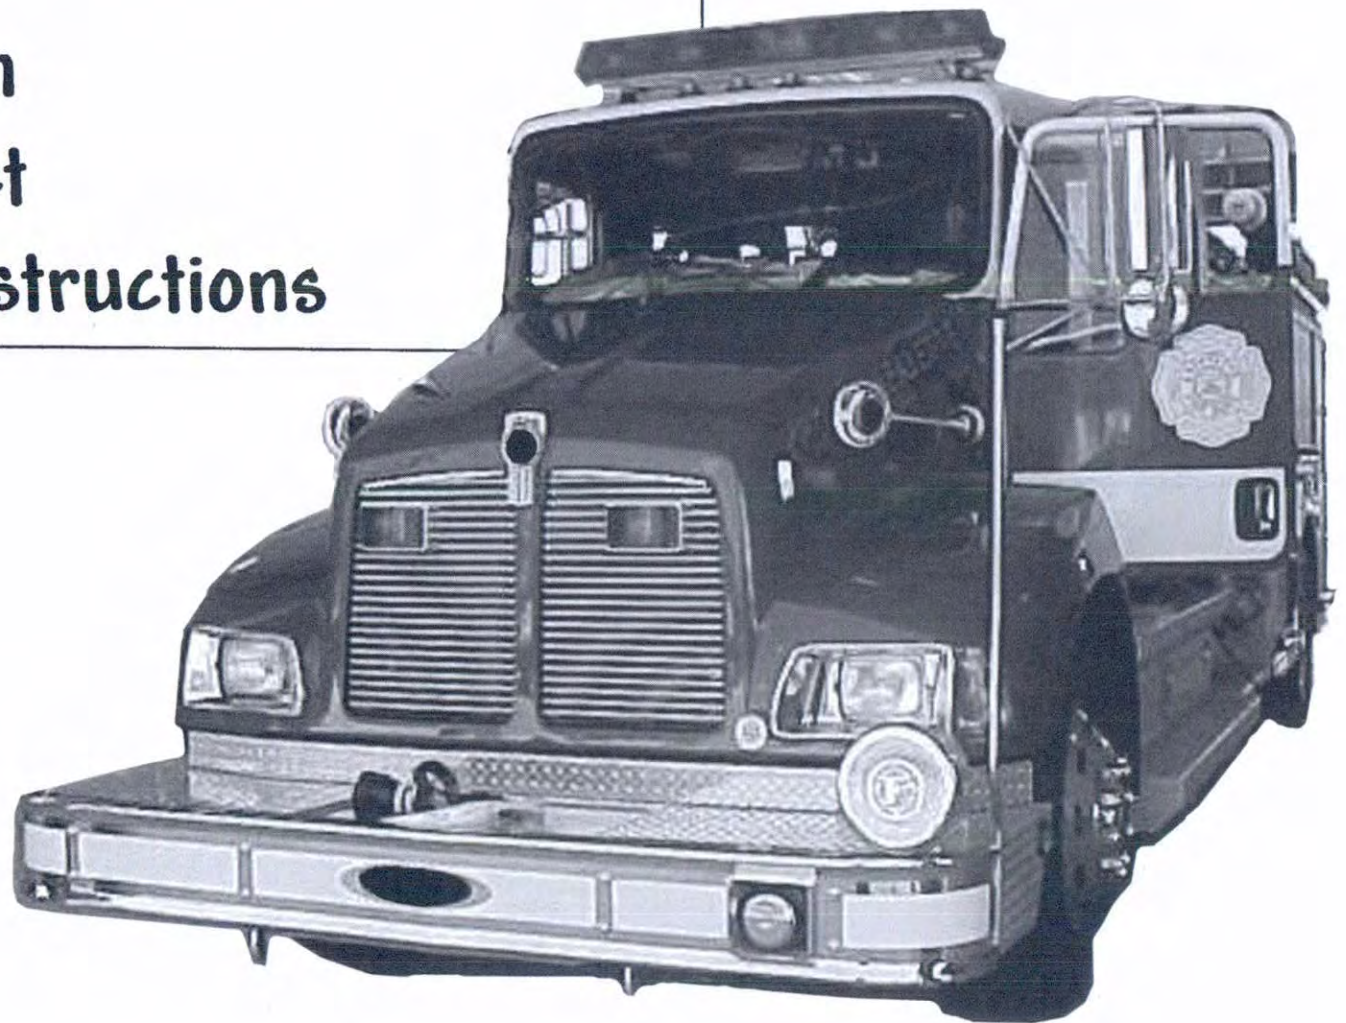

Use this page to draw your house and
create your own home escape plan!

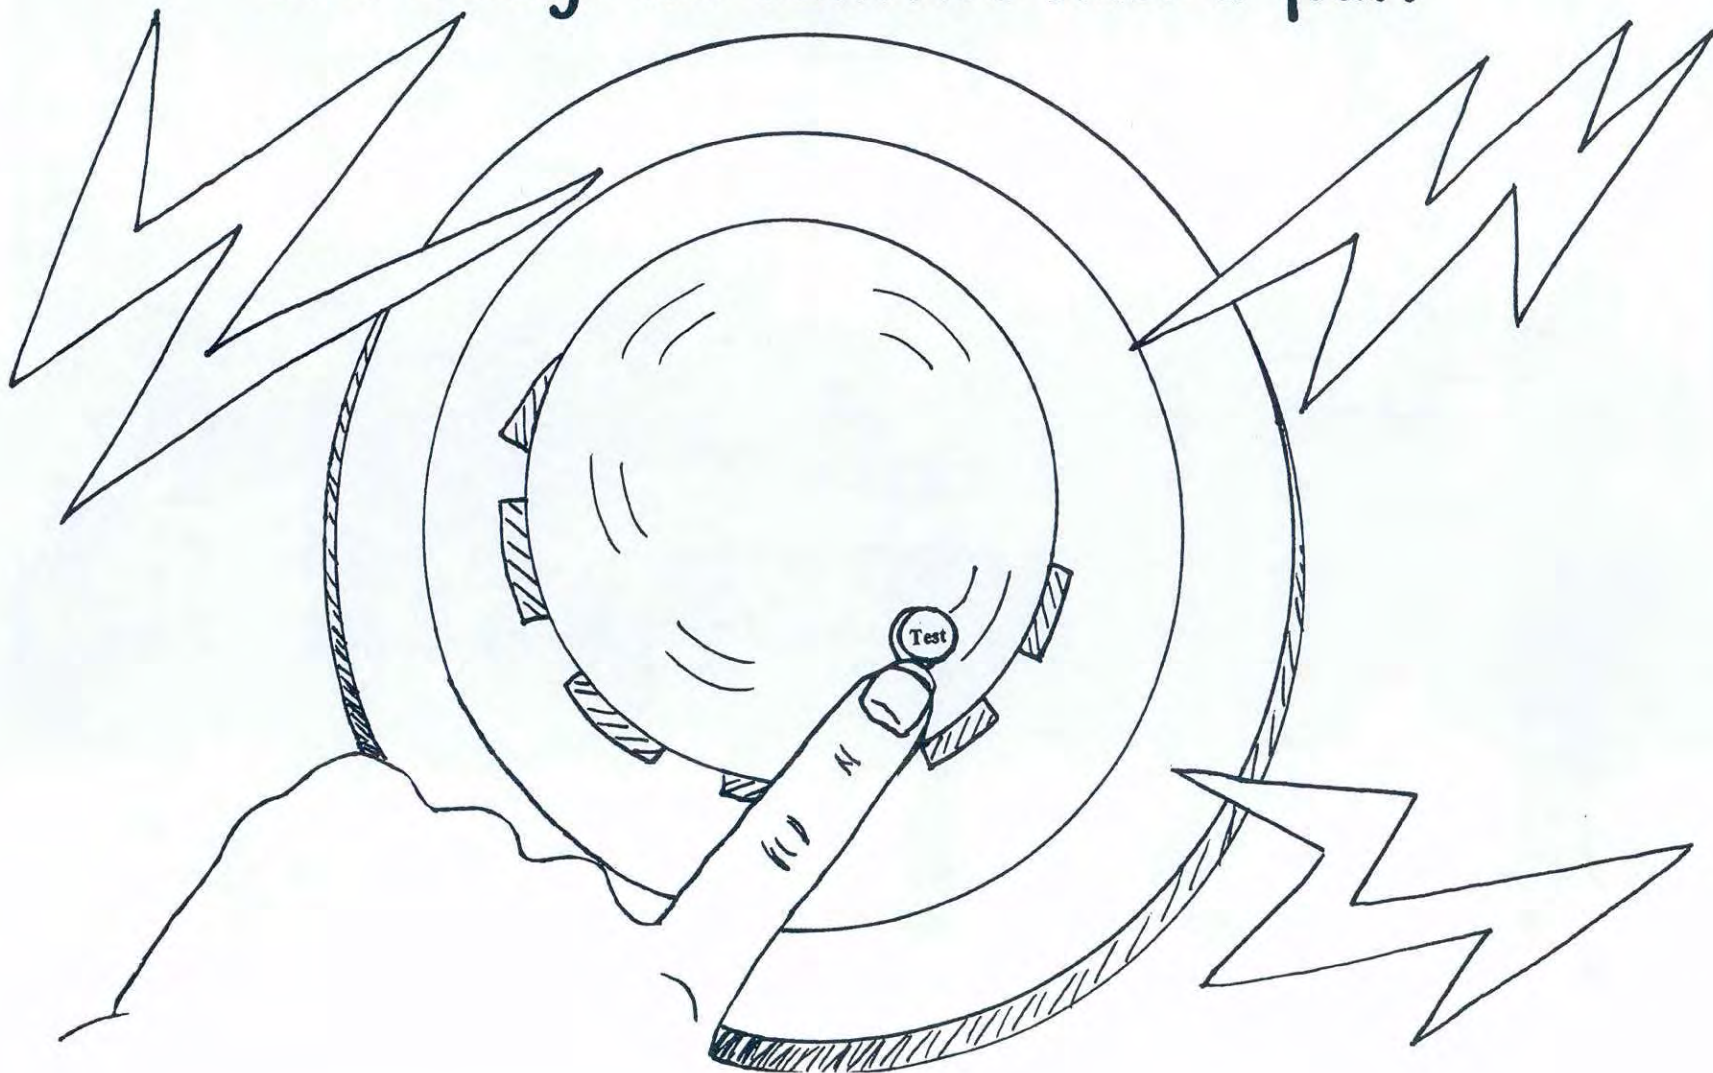

When practicing fire drills at school,
remember to always:

- ★ Stay Calm
- ★ Stay Quiet
- ★ Follow Instructions

SMOKE DETECTORS ARE VERY IMPORTANT!

You should have them in your home and your family should test them once a month and change the batteries twice a year.

If you are ever in a room where smoke is present, remember to STAY DOWN LOW!

Draw yourself under the smoke with Mini-Matches.

If your clothes ever catch on fire,
remember to STOP, DROP, and ROLL!

Bubba is showing us
how to do this properly.

No, Louie! DON'T
PLAY WITH FIRE!

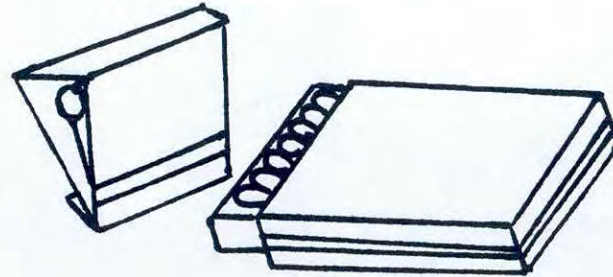

Remember kids: NEVER PLAY WITH FIRE!
We don't want Louie The Lighter to start
a fire, so cross out all the dangerous
items and color the things that are safe.

If you ever get a burn, you should cool it immediately with cold water and find a grown-up right away!

Color By Number:

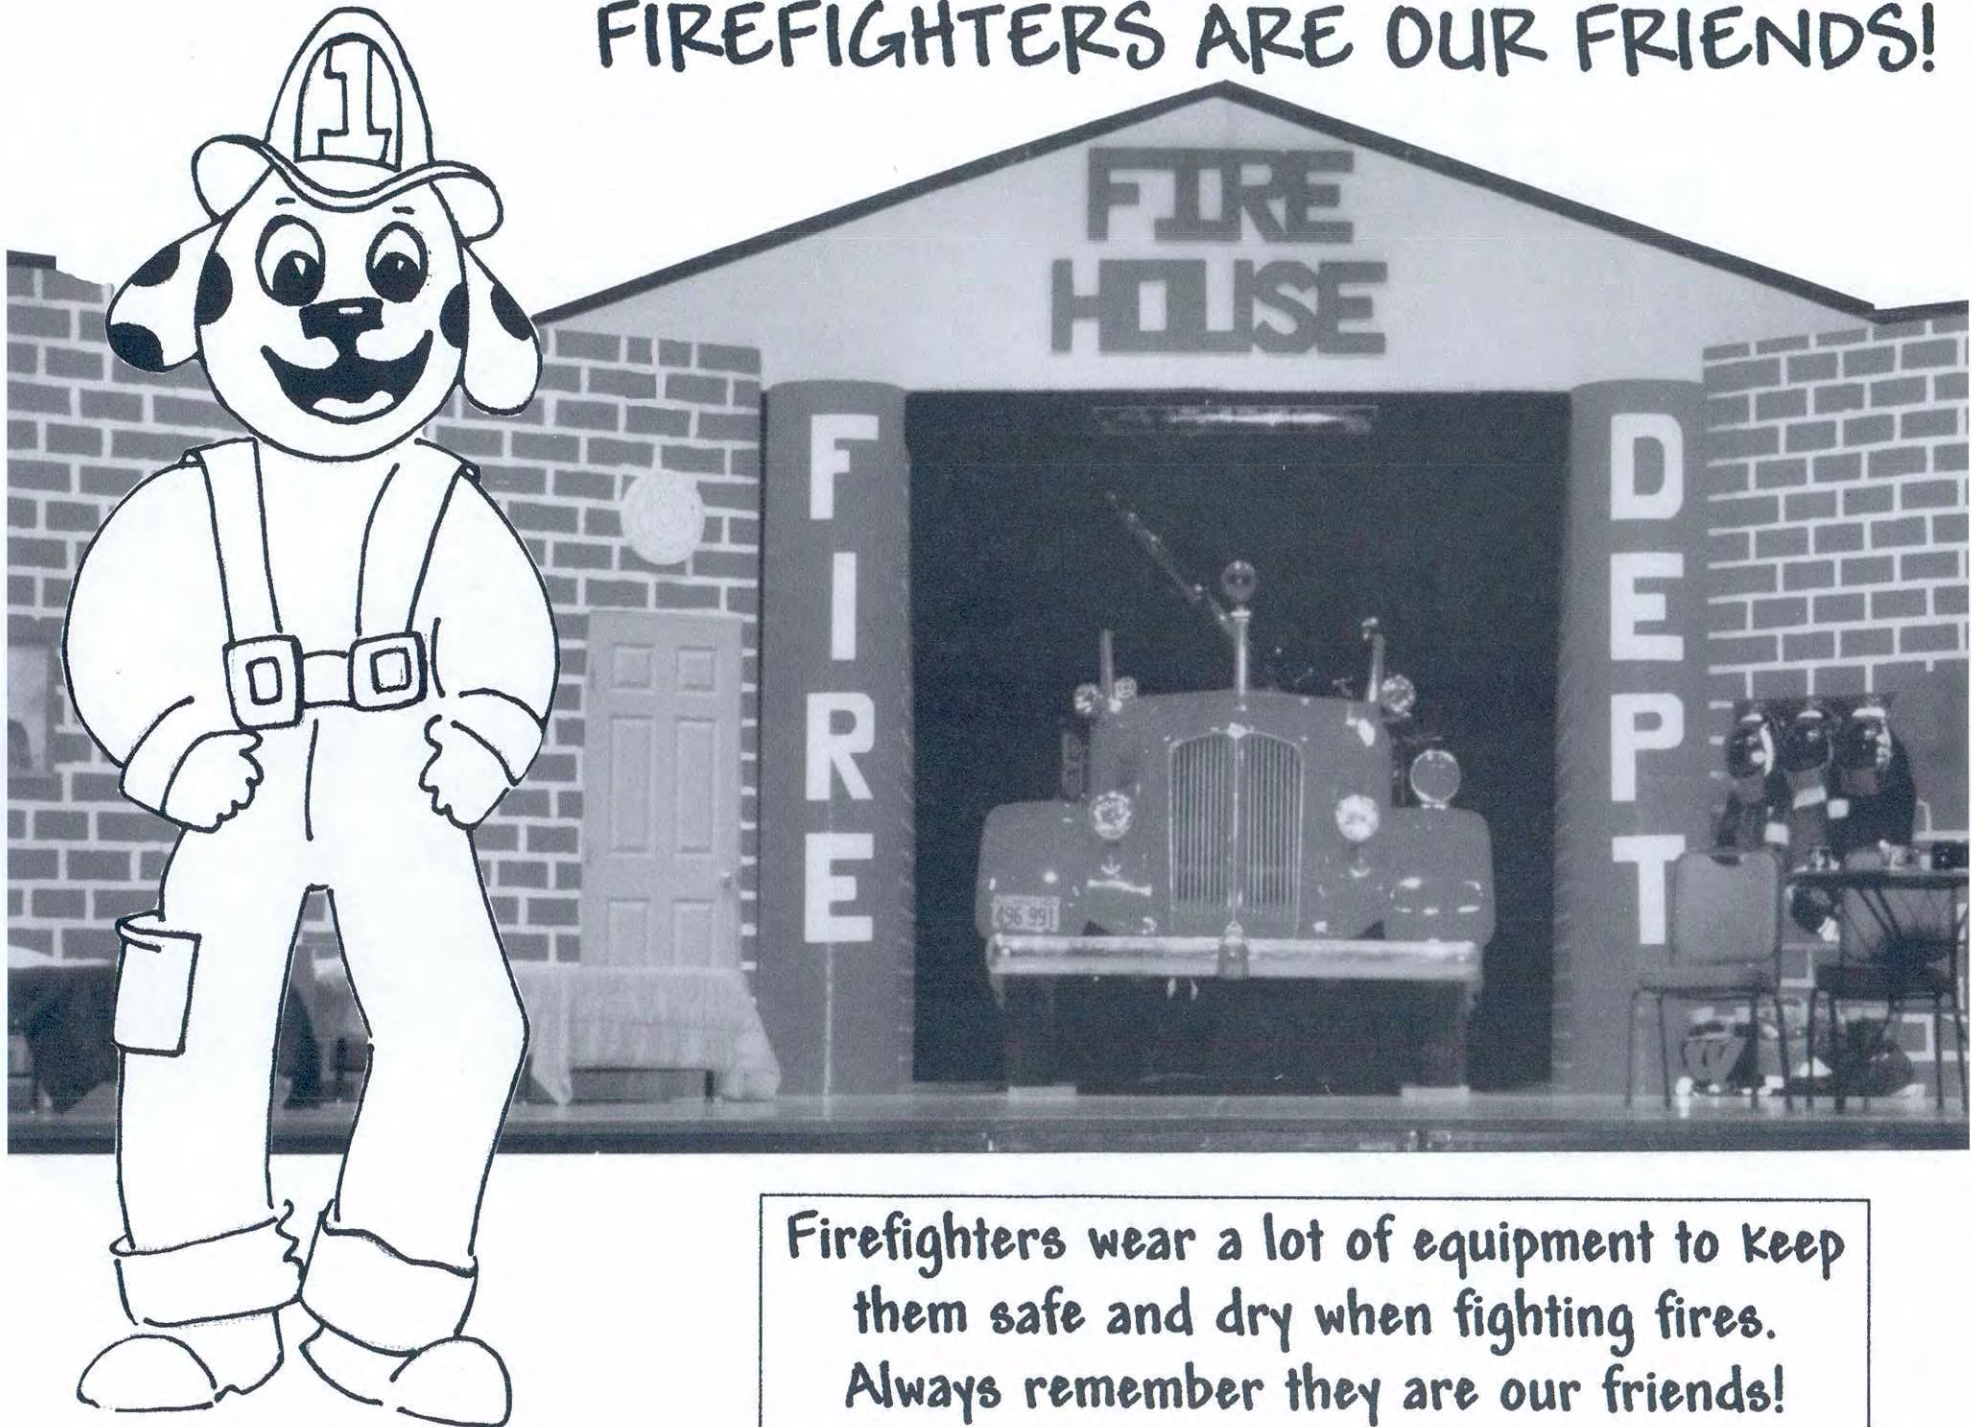

- ① = Blue
- ② = Red
- ③ = Green
- ④ = Orange
- ⑤ = White

Let's be safe in our cars, too! Always remember to buckle up.

FIREFIGHTERS ARE OUR FRIENDS!

Firefighters wear a lot of equipment to keep them safe and dry when fighting fires. Always remember they are our friends!
