

Contractor's License and Insurance Requirements

Any work requiring a permit in the City of Lafayette may require the following bond and/or insurance

For example of required bond type **click here** (we must have the original bond signed and sealed)

For example of required Insurance type **click here**

For residential projects homeowners may do all work themselves provided:

1. A copy of their homeowners insurance is submitted
2. They are living at or plan on living at the location
3. Any plumbing work is done by a state licensed plumber
